PROVIDENCE

GOLDMAN, ESTHER "ESTELLE" (PORT),
91, passed away on January 19th. She was the wife of the late Sanford (Sonny) I. Goldman, and mother to Sandra Goldschein, of Arizona, Samuel, of Warwick, Jonathan, of Cranston, Louis and Nancy (Triedman), of Providence. She is also survived by her sister, Mary Zisserson, brother Ira Port, of Warwick, and her Grandchildren, Brian Schulman, Rachel Goldman Graves, Michael Goldman and several Great-Grandchildren. She was the daughter of the late Louis and Sadie (Chorney) Port.

She lived most of her life in Warwick. While Sonny worked long hours running Greylawn Poultry, she worked long hours raising her children. Besides spending most of her life child rearing, she was a true Horticulturist raising beautifully ornate gardens both inside and out.

Years later she and Sonny went on to own and operate the well-known Golden Heart Antiques store located at the Gateway Shopping Center in Warwick. Her passion for antiques kept her fully operating the store up into her mid eighties.

Esther always wore a smile and loved to whistle and sing; always ready to lend an ear for family, friends, and customers too. She was a Mom and a friend and will be so missed.

Funeral services will be held at 11am, Wednesday, January 21st at Lincoln Park Cemetery in Warwick. Following a chapel service there will be a private interment service for family. Shiva will be private. In lieu of flowers, contributions in her memory may be made to the charity of your choice. For information and condolences, www.SugarmanSinai.com.
