Remembrances:

Shane was a character. No one was more proud of West Point and specifically the Class of 1961. He will live in our memories

Peter Gleichenhaus

Shane and I were Classmates in the Jewish Chapel Squad. He often pointed out to me the picture of us that is now in the Jewish Chapel. Over the years we relished the brief moments that allowed us to be together. I will miss seeing him at the Class 55th.

I especially remember with fondness our shopping while on the Caribbean cruise we took with many other Classmates. It makes me feel much better to know he was happy in his final times with us. I do not think any of us can ever recall a time when Shane was not happy with a unique laugh that filled any room he was in.

Living in Portland Oregon my wife Bobbi and I will not be able to sit Shiva with you in person, but please think of us being there in sprit.
