Jewish Education

The New Year which is about to begin finds us in the midst of an extraordinary crisis in the life of civilized humanity.

We are in the midst of a titanic conflict between ideologies and nations, and our people are perhaps the chief victims of the evil forces that have been loosened upon the earth.

Insofar as our role in this struggle is concerned, we, the Jews of America, are profoundly grateful that our lot is linked with that of a great, free and powerful land, among whose citizens we are proud to be numbered, and in whose defense we are eager to share. No greater privilege can come to any man in this day and generation than to be an American.

We deem it also a supreme privilege to be Jews, for all the slanderous falsehoods of our enemies cannot rob us of the knowledge that we are the heirs of a great and immemorial culture, of a faith and tradition that encouraged the growth of the finest products of the human spirit. The ethics of the Ten Commandments and the ideals of the Hebrew prophets are still the living inspiration of those who are today taking a valiant stand against the onslaught of the black legions of the earth.

Over a span of thirty centuries, this faith and these traditions have been passed on like a torch from generation to generation, and today this torch rests in our keeping. The mandate of our living past, the voice of our duty to America, and the clear though unspoken plea of our young, call upon us to transmit this torch of light to our sons and daughters.

In our community there are Jewish schools where children may obtain the instruction and guidance needed to supplement and complete their public school education. Take your children to these schools now, when they are opening their doors for the new school term. Let them come into the heritage which it is their right to receive and your duty to transmit.

So Simple

If you were walking down the street with a friend, who suddenly was attacked by thugs, what would you do?

Would you say, "This is none of my business, and, if I don't interfere, perhaps the highwaymen will be satisfied when they have beaten my friend to death, and taken his belongings, and will let me alone"?

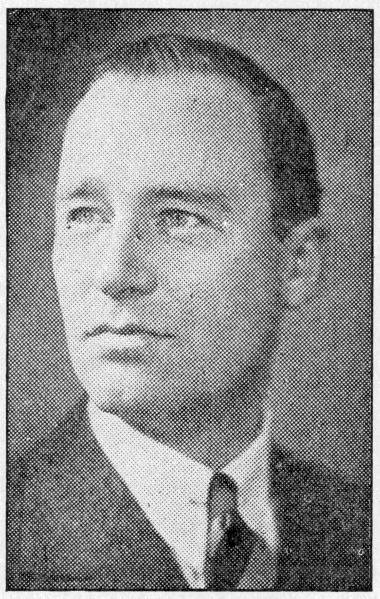

Or would you say, "This man is my friend, and, at the moment, our interests are the same. It seems ridiculous to suppose that, having disposed of him, these robbers are going to pass up my wallet, which is fatter than his, and my watch, which is worth more. I don't want to fight, but, if I must, it's certainly better to help him, and have his help, than to wait until he's finished and then fight alone. It's just possible that, if I hand him the gun in my back pocket, I may not have to fight at all?"

To me, the question of aiding the Allies is as simple as that.—Channing Pollock in the Los Angeles Times.

"Great minds have purposes, others have wishes"—Washington Irving.

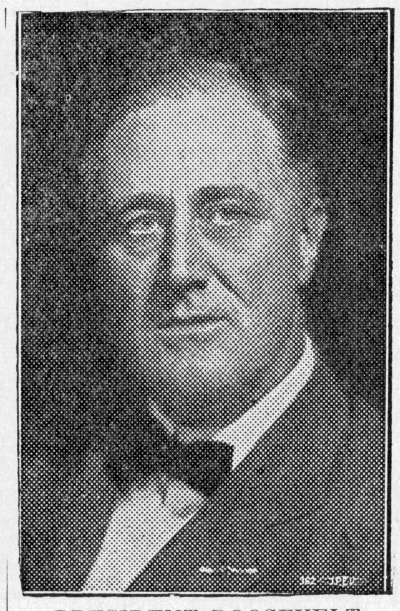

French Government Invokes Anti-Semitism Laws

Issue New Year Greetings

GOV. VANDERBILT

"May I wish the Jewish residents of Rhode Island a happy and holy year, and join with you in acclaiming the blessings of freedom of conscience, which Rhode Island first gave to the world as a cornerstone of government." (Signed) William H. Vanderbilt.

PRESIDENT ROOSEVELT

President Franklin D. Roosevelt this week issued the following statement to greet American Jewry on the occasion of the New Year:

"I feel confident that true Americans of every creed will join whole-heartedly with me in my greeting to those of Jewish faith upon the celebration of the Jewish New Year, and will re-echo my wish that each day of the coming year may witness some slight advancement on the road towards a more decent humanity." (Signed) Franklin D. Roosevelt.

WENDELL WILLKIE

The following New Year's message was issued this week to citizens of Jewish birth of the United States of America by Wendell Willkie, Republican presidential candidate:

"I am happy to send my greeting to the Jewish people of America on the occasion of their celebration of the Hebrew's New Year 5701. I am deeply impressed by an occasion which commemorates more than fifty-seven centuries of recorded experience reaching back to the roots of our civilization.

Palestine Steamship Torpedoed in Atlantic

TEL AVIV. — Sinking of the Palestine steamship, Har Zion, in the Atlantic was publicly announced at a rally of 400 Jewish sea scouts from all over the country, held in support of the fund to purchase fighter aircraft. Capt. Guy Lydekker, officer in charge of Palestine ports, in making the revelation, paid tribute to the Har Zion's crew and praised the nautical training given to Jewish sea scouts.

The Har Zion was the sister ship of the Har Hacarmel, which was destroyed by fire at the Rumanian port of Constanza in January, 1938. It flew the flag of the Palestine Maritime Lloyd before the war and plied the Haifa-Constanza routee. Before the war it had a crew of about fifty, most of them Jews.

NAZI HUMOR

LONDON.—A special "zoo for Jews" has been provided in Berlin's air raid shelters, the Daily Telegraph reported.

Casting Bread Upon Water Pays Dividends to Home

In appreciation for a contribution to the British War Relief by Isaac E. Feinstein, Llewellyn W. Jones, chairman of the Fund, in turn donated a check of $20 to the Jewish Home for Aged, it was revealed this week by Mr. Feinstein, superintendent of the Home.

Mr. Feinstein, knowing that the Jewish section of London was the first to be bombed by the Nazi Air Force leaving thousands of Jews homeless, wrote to Mr. Jones thanking him for the work he had undertaken and enclosing a contribution to the fund.

"Mr. Jones' acknowledgement of my letter," said Mr. Feinstein, "so touched me that it moved me to tears, for enclosed was his check for $20, as a contribution to the Jewish Home for the Aged of Rhode Island."

Believing that Mr. Jones' letter should be brought to the attention of Rhode Island Jewry, in the hope that they might give evidence of their appreciation to Mr. Jones by contributing to the British War Relief Fund, Mr. Feinstein sent a copy of the letter to the Herald's offices this week. It read as follows:

"My dear Mr. Feinstein: Have

Dies To Investigate N. J. 5th Column

NEWARK. — Conclusive evidence of subversive Communist and Nazi activities "in our midst" was promised by Rep. Thomas (R-N.J.) as a Dies subcommittee opened today a series of hearings on un-Americanism in this area.

"We will uncover significant evidence that fifth column activities are flourishing along the Atlantic seaboard," Thomas said, "and we will bring out enough evidence so that law enforcement agencies will be able definitely to curtail these subversive inroads."

Jews Are Divided Into Two Categories

War Vets Get All Privileges

VICHY, France. — French Jews have been divided into two principal categories, in accordance with a statute approved this week by Marshall Henri Philippe Petain and a council of ministers, the first racial legislation in France since the emancipation of the Jews by the great French Revolution:

French born Jews who served with the armed forces during the war, who will receive the same rights and duties as all Frenchmen.

Jews of foreign origin and emigres, subject to restrictions, details of which were not scheduled for immediate publication.

Marshall Petain also named new ambassadors to Madrid and Rome in a major diplomatic move which was interpreted as a bid for participation in any Axis plans in the Mediterranean and North Africa.

Einstein Views on Religion Denounced

NEW YORK. — A number of prominent clergymen, both in this city and in other parts of the country, have taken issue with a recent statement made by Dr. Albert Einstein, noted scientist, in which he advocated the repudiation of a personal God.

Among the ministers who have publicly denounced Einstein's views are Rabbi Herbert S. Goldstein, Rabbi Hyman J. Schactel, and the Rev. J. Elmer Cates of New York. Archbishop John T. McNicholas of Cincinnati has also vigorously condemned the scientist's statement.

Dr. Einstein's remark, said Rabbi Schactel, is "contrary to the cardinal precept of Judaism, which is a belief in a personal God, a God who works through the history of man and who is guiding the ultimate destiny of mankind."

Judge Welcomes Einstein as Citizen

TRENTON, N. J. — Prof. Albert Einstein was welcomed as an American citizen this week by Federal Judge Philip Forman.

Judge Forman said that the scientist's "presence here becomes America's gain," and further stated, "You will observe that Dr. Einstein is admitted to citizenship here in the same democratic method as are all others, but the simplicity of these ceremonies is characteristic only of that which is America."

Himself the son of Immigrant Jewish parents, Judge Forman said "I am deeply cognizant that only in America would it be possible for me to occupy the position which I do as the representative of my country."

Refute Charges Jews Desire War

N. Y. Paper Ridicules Nazi Control Theory

Sees U. S. Entry Into World War

NEW YORK. — Asserting that "anti-Semitism is on the rise in this country, chiefly because of the war," the New York Daily News, tabloid newspaper with a circulation of more than 2,000,000 daily, scouted charges that the Jews "are to blame as a race or a group for our rush towards Europe's latest war."

"Most of our anti-Semites," the paper said, "the Nazis frankly—and others not so frankly—argue that the Jews pushed England and France into declaring war on Germany because they wanted to get revenge for the way Hitler treats the German Jews. We're told, too, that the Jews are pushing the United States into the war for the same motive.

Favorite Theory

"One favorite anti-Semitic theory is that the Jews control most of the department stores, which do most of the big display advertising in the papers, and that thereby the Jews dictate the papers editorial policies on foreign affairs."

The paper pointed out that William Allen White's Committee to Defend America by Aiding the Allies "lists very few Jews on its roster of more than 600 eminent sponsors—as well as very few persons of draft age. And the White committee is the most active single agency pushing us toward war."

Jews Not Responsible

The editorial concluded by saying "we think we are going into this war for the same deep, underlying cause that took us in last time — a cause which has nothing to do with the Jews, the bankers or the 'merchants of death.' "

Anti-Semites Are Beat in Primary

DETROIT. —Frank Fitzgerald, liberal Catholic, defeated Louis B. Ward in the Democratic senatorial primaries. Ward was the former editorial director of Social Justice and biographer of Father Coughlin.

TAG DAY

Tag day will be held on Sunday by the South Providence Institute Ladies Auxiliary, with Mrs. Scheck as chairman. Headquarters will be at 129 Chester avenue, and proceeds will be used to benefit the Talmud Torah.

SHELTERING SOCIETY

Providence Hebrew Sheltering Society will hold a meeting on Monday night at 86 Jefferson street, at which time important business will be transacted. John Schneider, secretary, will preside.

200 Men Needed By National Guard

Recruiting Parties To be at Armories

Two hundred men are needed by the 243rd Coast Artilliary at Fort Adams, Newport, to bring the National Guard regiment to full peace-time strength, it was announced this week by Col. J. L. Daneker of Fort Adams.

Recruiting parties were to be in Providence, Pawtucket, East Greenwich, Natick, Woonsocket and Bristol on Thursday, Friday and Saturday of this week. Men interested may report to the Armories in these cities from 10 o'clock in the morning until 9 o'clock at night.

Information will be given on requirements, preliminary examinations will be conducted, and transportation to Fort Adams will be furnished. Physical and final examinations will be given at the Fort, and those passing will remain, while others will be furnished transportation back to their home towns.

There are vacancies for radio men, electricians, gas engine operators, cooks and bakers.

Emanuel Sisterhood To Hold Reception

New Members, Guests of Honor

Mrs. Max Temkin, president of the Sisterhood of Temple Emanuel, will welcome members of the organization at the season's first meeting, to be held Monday evening. At this meeting, the Executive Board will tender a reception to all members who have joined during the past year, and to wives of all new Temple members.

Mrs. Esther Pritsker and Mrs. Harry Fine are co-chairmen of the program committee, and Mrs. Haskell Frank and Mrs. Leo Rosen, co-chairman of the Hospitality Committee.

Greetings will be extended by Rabbi Israel M. Goldman, and an original skit, entitled "Sisterhood Scores," written by Mrs. Esther Pritsker and Mrs. Harry Fine, will be presented. A business program will be outlined by various Committees, during which time plans for the ensuing season will be discussed.

A cake sale will be held by the Sisterhood on Monday, October 14 at the Outlet Company, with Mrs. Theodore Rich as chairman.

Emanuel Announces Holiday Schedule

Sabbath of Repentance will be observed at Temple Emanuel with the following services: Friday evening, October 4, 5:30 o'clock; Saturday, October 5, 9 o'clock; sermon, "The Fear of Man and the Fear of God."

Yom Kippur services have been scheduled as follows: Kol Nidre service, Friday, October 11, 5:30 o'clock; sermon, "Our Heritage—Curse or Blessing?"; Saturday, October 12, 8:30 o'clock. Memorial services, 10:30 o'clock, Saturday morning.

As in past years, special Children's Services, for children from 8 to 13, will be held in the Assembly Hall of the Vestry on Yom Kippur at 10:30 o'clock. During the afternoon, from 2 to 3 o'clock, a special children's service will be conducted in the Main Synagogue.

Affair Scheduled By Home Women

According to an announcement received this week from Mrs. I. S. Low, president of the Ladies Association of the Jewish Home for Aged, a linen shower, mah jong and bridge, is being scheduled for November 6 at the Home.

Mrs. Samuel Rosenfield has been named chairman. Further details will be announced later.

Brown to Tangle With R. I. State Sat.

Having emerged from the Wesleyan game unscratched, the Brown football squad is busily preparing this week for the second test of the season against Rhode Island State at Providence, Saturday.

The unexpected display of power in the 41-0, Brown triumph over Wesleyan was extremely gratifying to head coach Tuss Mc Laughry and his aides, but the Brown startegy board is not taking the Rhode Island Rams lightly, expecting stiff opposition from the Keaney-coached team. The Rams have been fairly impressive in past encounters, defeating Northeastern convincingly, but losing a, 7-0, decision to Maine last Saturday.

The game will bring together the strongest arrays of running backs backs either team has had in many years.

Draft Quota Being Filled

Voluntary Enlistment Reduces Draft Needs

Many Anxious To End Training

WASHINGTON. — Voluntary army enlistment offers pouring into selective service headquarters this week indicated that a sizable part of the first compulsory service quota of 400,000 men might be filled without a draft.

Recalling that 435,000 men volunteered from April through August in 1917, selective service officials anticipated in the coming weeks a rush of men anxious to complete their year's training and be done with it.

These officials pointed to the comparatively numerous inquiries already received as State offices, army recruiting centers, newspaper offices and headquarters.

A Typical Inquiry

A typical inquiry came from a young Idaho lawyer who wanted to put his military service behind him in order that he might take up legal practice later without fear of being interrupted. He was advised that he or any other man from 18 to 36 could volunteer to his local draft board and be accepted for service unless deferred.

SWASTIKA ON SYNAGOGUE

NEW YORK. — A crude flag bearing a large Nazi swastika, placed atop the Proskurover Zion Congregation Synagogue threw a section of the East Side into turmoil until it was removed by police.

Stokes predicted that more Jews would be interned in the near future. He visited the St. Cyprien camp and said that "conditions are not good."

We, the Jewish Bakers Union, Local 122, take this opportunity to thank the Jews of Providence for the patronage that they have given us in previous years, by buying bread only in those bakeries where Union workers are employed and use the Union Label.

At the beginnng of the New Jewish Year we again request you—the Jewish housewives—that whenever you buy bread or chalah, to remember us, the Jewish Union Bakery workers, and demand that the Union Label be applied to each loaf of bread that you buy.

By demanding the Union Label you are assured that the bread is baked in sanitary bakery shops and the workers are treated humanely.

Nazi Sympathizers Threaten Small N. Y. Storekeepers

NEW YORK. — Evidence for prosecution will be soon be placed before federal and state authorities, showing that Nazi sympathizers are browbeating and terrorizing hundreds of small New York City storekeepers into contributing hard-earned dollars and supplies to Hitler's war relief and military machine, it was revealed last week by PM.

Harold E. Chasmar, Crime Commission vice-president and general manager, former AEF Secret Service agent, confirmed reports that his organization has been investigating threats against the storekeepers by Nazi agents. His files revealed that Nazi terrorists gain minute details of private banking accounts of prospective victims through fifth columnists employed in financial institutions.

Mr. Chasmar reports local Nazis threaten recalcitrant shop owners, their wives and children and have beaten up a large number. He says the victims were afraid to go to the police.

Complaints poured into the Crime Commission offices were told by customers and small merchants about the threats.

Loyal Americans with German names are principal victims of the terrorists, according to Mr. Chasmar.

"From confidential sources we have learned that storm troopers in Greater New York have approached and are aproaching small storekeepers with German names, soliciting clothing and funds for German soldiers relief," Mr. Chasmar said.

The two old Greek ships, recently renamed the Pacific and Atlantic and now flying the Panama flag, were long ago condemned and one is reported wholly unseaworthy.

Promise Redoubled Aid to Palestine

Form R. I. Region Of Palestine Appeal

Name Silverman State Chairman

Rhode Island Jewry assembled at the United Palestine Appeal Conference held at the Narragansett Hotel, Providence, last Sunday, September 29, resolved to "stand by" the 500,000 Jews living in Palestine in the face of the present war situation, and to answer the bombings of Haifa and Tel Aviv with redoubled efforts in behalf of the upbuilding of Palestine. Towards this end, a Rhode Island Region of the United Palestine Appeal was organized with Archibald Silverman elected State chairman, and Benjamin N. Kane elected Providence chairman.

Hear Noted Speakers

Five hundred leaders representing 100 organizations and communities of Rhode Island heard internationally famous figures interpret the latest developments affecting the world Jewish position and review the achievements of Palestine Jewry during the last twelve months of the war.

Dr. James G. McDonald, chairman of President Roosevelt's Advisory Committee for Political Refugees and former Refugee High Commissioner for the League of Nations, flayed Adolph Hitler for his brutal attacks upon the Jewish masses in Nazi-dominated lands. Mr. McDonald predicted that the destructive machine which Hitler has built will eventually crumble into nothingness, while the Jews, the victims of his aggression, will be writing "new achievements on the pages of history."

Palestine Developments

A survey of the latest developments in Palestine was presented by Dr. Nahum Goldmann, a member of the Jewish Agency Executive for Palestine, and representative of the Jewish Agency to the League of Nations in Geneva.

Louis Lipsky, chairman of the Administrative committee of the United Palestine Appeal, made an appeal for unstinted material support of the English fight against the Nazi menace.

The Conference opened with Dr. Ilie Berger, president of the Rhode Island Zionist District, presiding at the morning session. Mrs. Archibald Silverman of Providence and Henry Montor, executive director of the United Palestine Appeal, were the speakers. Mrs. Silverman stressed the positive character of Palestine upbuilding as compared with the hateful and inimical forces of Europe, and predicted that out "of the nucleus in Palestine today will arise a new Judaism."

Henry Burt Resolution

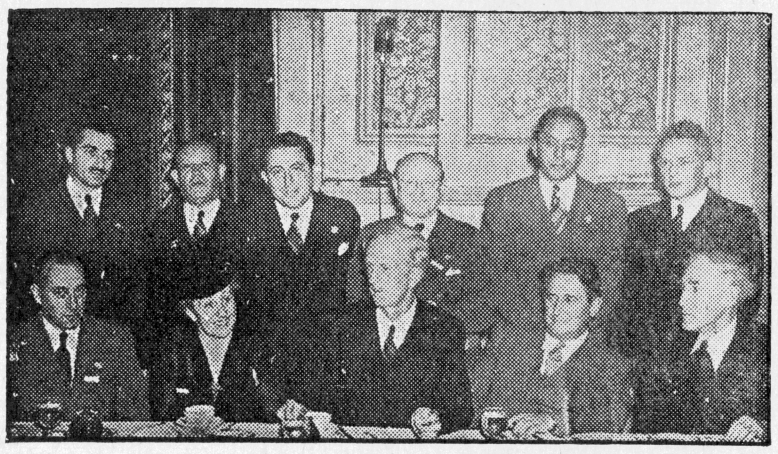

An in memoriam resolution was presented by Archibald Silverman in tribute to the late Henry Burt, outstanding leader of Providence, who passed away recently. A resolution also urged the support of the Rhode Island communities for the United Jewish Appeal of 1940.

Officers elected to serve with Mr. Silverman and Mr. Kane on the permanent working committee of the Rhode Island United Palestine Appeal Region follows: State vice-chairmen: Saul Abrams, Max L. Grant, Benjamin Sopkin, Judge Philip Joslin, and Philip V. Marcus, all of Providence; Morris Espo, Pawtucket; Judge Robert Dannin, Newport; Arthur Darman, Woonsocket; and Herman Silverman, East Greenwich; State treasurer, Samuel M. Magid; State Secretary, Alter Boyman; State Associate Secretary, Mrs. Morris W. Shoham; chairman Executive Committee, Dr. Ilie Berger.

Committee Members

Members of the executive committee include Mrs. Saul Abrams, Mrs. Ilie Berger, Max Berman, Rabbi Albert T. Bilgray, Rabbi William G. Braude, Mrs. Alter Boyman, George Carson, Mrs. Aaron Cohen, Henry Hassenfeld, Robert Berstein, Maurice W. Hendel, Mrs. Benjamin N. Kane, Mrs. S. Rabbis Escape as Bomb Hits Beth Din

LONDON. — A Nazi bomber scored a direct hit on a house in which a Beth Din (rabbinical tribunal) was meeting in East London. All those present escaped injury, although numerous casualties and serious damage occurred in the vicinity.

Dr. Joseph H. Hertz, British Chief Rabbi, had a narrow escape while walking in a garden of a hotel in a northeast town when a bomb fell nearby. He was blown off his feet by the concussion and was bruised and shaken.

Goldman Endorses Community Fund

Terms Campaign A "Vital Safeguard"

Drive Begins Sunday, Oct. 13

Stating that the "first line of defense in any nation is a strong, healthy, happy and satisfied citizenry," Dr. Israel M. Goldman, Rabbi of Temple Emanu-El, endorsed the 1940 Providence-Cranston Community Fund Campaign as a vital safeguard of the American way of life.

Rabbi Goldman pointed out that while diplomacy and armaments may be considered the most important elements in a national defense program, nevertheless, these cannot be successful without the loyalty and unity of the American people.

Rabbi Goldman's complete statement is as follows:

"Today the united thought of America is concentrated on National Defense. All measures of a military and diplomatic character are being adopted to make America invulnerable. We are determined to safeguard the American way of life. This is as it should be. But all of us fully realize that it takes more than guns and tanks and diplomatic maneuvers to defend American ideals and traditions. Certainly, the very first line of defense in any Nation is a strong, healthy, happy and satisfied citizenry.

"It is precisely at this point that the Community Fund helps to defend America because through the many agencies of the Community Fund, power and strength is given to people to lead satisfied and strong lives. In turn our people learn to love our country and to feel convinced of the worthwhileness of its institutions. I, therefore, call upon my fellow citizens of the Jewish faith, as well as upon inhabitants of this community, to support to the very fullest measure the forthcoming Campaign of the Providence Community Fund."

The opening meeting of the Community Fund Campaign has been announced for Sunday evening, October 13, and will be held in the auditorium of Hope High School. The program will include personal appearance by a group of radio stars who have volunteered their services, and broadcasts of the meeting will be carried by radio stations WEAN, WJAR and WPRO.

On Friday, October 4, the Community Fund campaign will be explained and endorsed by Rabbis in local synagogues.

VICHY. — Needy Jews who remained in Paris following the German occupation are threatened with starvation due to rapidly dwindling food supplies, it was reported here last week.

Federal Experts Find Motorists Overtaxed

Millions Not Used For Road Building

Analysis of the Federal Transportation Report recently issued by Joseph Eastman, chairman of the Interstate Commerce Commission, reveals that in 1937, the last year studied by the Federal transportation experts, American motor-vehicle owners paid $154,060,000 more in state and local motor-vehicle taxes than all the road costs that legitimately could be charged against them.

In addition, the American Petroleum Industries Committee points out, automobile and truck owners paid $584,784,000 in Federal automotive excise taxes, state sales taxes on automotive equipment, and various types of property taxes on motor vehicles, bringing the total cost of taxes paid by virtue of motor-vehicle ownership to 75 per cent more than the highway users' share of road costs. It is obvious from this, the Committee declares, that highway users not only are paying their full share of road and street costs, but are contributing millions of dollars additional.

Issue New Year Message to Jews

(Continued from Page 1)

"I know what Rosh Hashonah means to the people of your faith. I ask the privilege of joining your prayers and of pledging to you today that insofar as it is within my capacity to keep so sacred a pledge, the United States of America will never harbor racial or religious intolerance and persecution upon this principle our country was founded, and upon it depends the perpetuation of democracy.

"God grant that the Hebrew New Year 5701 may bring to Israel throughout the world the same peace and protection that the Jewish people of our democracy have always enjoyed and shall continue to enjoy in the United States of America." (Signed) Wendell Willkie.

Jewish Lad Among Victims of Sinking

LONDON. — A 10-year-old Jewish child, Henry Smulevitch, was among the 83 British children drowned when the liner bringing them to safety in Canada was torpedoed by a submarine 600 miles off the British coast, it was learned.

The boy was one of thousands of British children, including many Jews, scheduled to be transported for safekeeping in Canada.

"Aryans" in Slovakia Prove too Avaricious

ZURICH. — Certain occurrences involving avarice in the taking over of Jewish property in Slovakia have caused temporary suspension of the "Aryanization" program there, Slovakian Vice Premier Mach admitted in a broadcast this week.

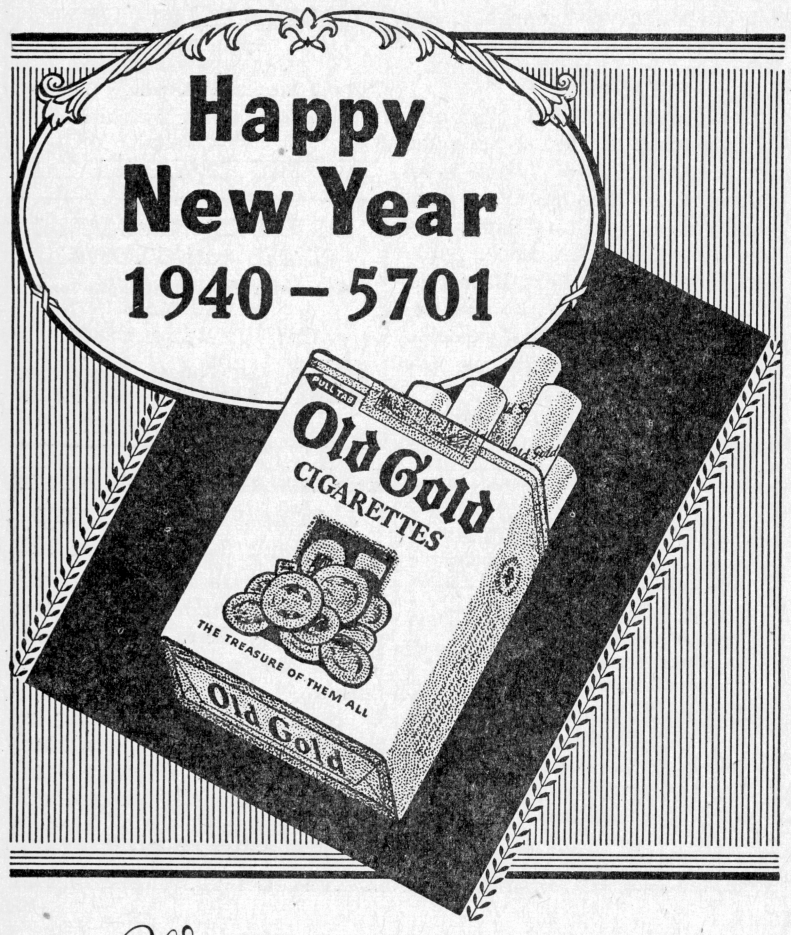

"This avarice," Mach said, "is no better than Jewish avarice."

BAN REPRESENTATION

BUCHAREST. — The Rumanian Foreign Office press department ruled last week that Rumanian Jewish journalists henceforth will not be allowed to represent the foreign press.
