### Investigate First

Faced with the problem of picking his life's work, the graduate of 1941 might well follow the example of an acquaintance who thought he might want to become a lawyer. His investigation brought to light the following facts:

There are about 40,000 students in American law schools and 25 per cent of them are Jews; half of the lawyers of the country earn less than \$2,500 a year, and a quarter of them are lucky to eke out \$1,500; the average cost of a two-year pre-law and three-year law course is approximately \$6,000; there are only about 100 schools approved by the American Bar Association; the sum of \$50 a month is the maximum one gets when he is fortunate to secure employment in a large law office after graduation.

Further, a recent survey indicated that lawyers reach their peak earnings after they have been practicing for about 17 years; the average Jewish lawyer in New York earns 23 per cent less than the average general member of the New York city bar; in 1935 some 1,500 lawyers in New York took pauper's oaths to qualify for relief; and a second study revealed that 10 per cent earned less than \$500 per year, six per cent earned between \$500 and \$1,000 per year which means that 16 per cent of the lawyers were making less than \$15 per week.

Now the above varies for the community and much depends upon the individual and his capabilities. We print the facts to demonstrate that wide-awake, intelligent analysis of a field may save many a heart-ache later in life.

Tomatoes were once called love apples, possibly because earlier gardeners also said they'd love to grow some like the one on the seed catalogue cover.—Scanlon in Buffalo Evening News.

## Iceland Celebrates First Bar-Mitzvah

NEW YORK. — The first Bar-Mitzvah in the history of Iceland was celebrated in the British military barracks there.

As his confirmation day approached, the son of one of the Jewish officials with the British forces in Iceland feared that the long-expected celebration in his honor would not be held in these new, unanticipated surroundings.

The commander in charge, hearing of the boy's worries, permitted the celebration to be held in the barracks and presented the boy with a gold watch.

The hall in which the ceremony occurred was offered by a sympathetic Iclander.

"Truly we are a scattered nation," said the impromptu preacher in his brief sermon.

## Zionist Leader Reported Killed

LONDON.—Adolf Boehm, famed Zionist leader who became mentally unbalanced after witnessing the suffering of Austrian Jewry under Nazi rule, was fatally poisoned in an insane asylum to which he had been committed, it was reported in Zionist circles here.

Boehm was charged by the Nazis with the responsibility for the actions of Vienna's Jewish population.

## Appeal for Prompt Action On Mobile Kitchen Campaign

An appeal for prompt action in contributing the \$6,000 needed for the three mobile kitchens that R. I. Jews have pledged to Great Britain was made this week by Walter I. Sundlun and Reuben Lipson, co-chairmen of the R. I. Jewish Section Interfaith Committee to Aid Great Britain.

Each kitchen donated will bear a seal stating "Donated by the Jewish residents of Rhode Island." In addition the names of all contributors will be printed on a scroll that will contain the names of all donors throughout the country.

Also urging action on the project was Alter Boyman, vice-chairman, who, in a statement this week, said, "We must aid Britain in her fight. The kit-

## Jewish Congress, Labor Unit Denounce Peoples Committee Say Organization Communist Backed

Labor Group Denies Peoples Committee Claim

Refuting the claim of the Jewish Peoples Committee that it was the only organization combatting anti-Semitism, the Jewish Labor Committee and the American Jewish Congress this week, in separate statements, announced that the Jewish Peoples Committee is a front organization for Jewish Communists, dominated by them, and conducting its business for the benefit of the Communist movement in America.

In the Jewish Labor Committee's letter, signed by I. Levin-Shatzkes, mention was made of the activities of the Jewish Labor Committee, which in cooperation with the American Labor movement, is doing praiseworthy work in the struggle for human rights and the fight for (Continued on page 2)

NEW YORK. — Wendell L. Willkie will be the recipient of the annual service award given by the Jewish War Veterans. The presentation will be made at a dinner, June 14, in the Waldorf-Astoria hotel.

## Urge All Young Men to Volunteer

Build Bombing Shelters; Co-operate With British

JERUSALEM. — With the battle of Crete, the Nazis have opened their long promised invasion of the Near East. It is anticipated here that once Cyprus has been over-run, the Nazis will move toward the Suez Canal via Palestine.

Jewish leaders here are speeding preparations to protect the civilian population. For the first time steps were taken to construct bombing shelters in this ancient holy city.

Meanwhile, the Jewish community of 550,000 persons grimly prepared for eventualities. At a meeting of the Jewish National Council (Vaad Leumi), Isaac Ben-Zvi, chairman of the Council, called upon the Jewish community to face the trying times ahead with courage.

The meeting, attended by representatives of Jewish communities throughout the country, was addressed also by Moshe Shertek, head of the political department of the Jewish Agency, who stressed the need to remain calm and urged all young Jews, not yet in the armed forces, to volunteer. He reiterated the Yishuv's desire to play a more important role in the defense of Palestine and to cooperate to the fullest extent with the British war program.

## Russia Held Responsible For War by Labor Group

CHICAGO. — The Workmen's Circle 41st convention adopted a resolution holding Russia responsible for the war through the Nazi-Soviet pact of August, 1939. The organization also voiced condemnation of the Norman Thomas Socialist group for joining "reactionary groups" in opposing defense measures.

A resolution on the general Jewish situation declared that Palestine was menaced by developments in the Near East. A resolution recommending recognition of the Geverkschaften campaign was rejected by the convention. Distribution of \$39,000 to various institutions was approved.

Resolutions adopted at previous sessions called for support of the efforts of Britain and the

United States Government to defeat Hitlerism.

Reuben Guskin, retiring president, denied having said that a "homeland is the only solution for Jewish problems," as he was quoted in newspaper reports.

## Doctor Must Pay \$25,000; Loses Suit Over Operation

NEW YORK. — A Supreme Court jury last week returned a verdict of \$25,000 against Dr. Samuel J. Kopetsky, president of the New York State Medical Society and medical director for selective service in the city.

Damages were awarded to Benjamin Schwartz, musician. Schwartz, whose hearing was impaired, was operated on by Dr. Kopetsky. The operation, Schwartz charged, resulted in al-

most complete deafness of the right ear and paralysis of the right side of the face and head.

According to Saul W. Rogers, Schwartz's attorney, Dr. Kopetsky admitted that the operation was the first of its type that he had performed.

Dr. Kopetsky World War veteran, holds the rank of Colonel in the medical section of the Officers' Reserve Corps.

## Mother and Sons To Get Diplomas

NEWARK. — June will be a busy month for Mrs. Philip Grubin, a dentist's wife. June 19 she will witness the graduation of her son, Leonard, from Harvard University. Four days later she will see another son, Leslie, receive his degree from the University of Wisconsin. Before this, however, on June 3, she herself will receive a Bachelor of Science degree from Teachers' College.

A former school teacher, Mrs. Grubin said she decided to go to college in 1934 when she found herself unable to answer many questions asked by her sons.

## Synagogues Are Are Taxed Heavily

LONDON. — The Soviet authorities have introduced heavy taxation on synagogues and rabbis in Soviet-occupied Poland, Bessarabia and Bukovina, The Jewish Chronicle reported recently.

Synagogues in towns with a population of 5,000 must pay an annual tax of 5,000 rubles, towns with 10,000 inhabitants, 10,000 rubles; up to 20,000 population, 15,000 rubles.

Rabbis are taxed 1,000 to 5,000 rubles annually. The object of the new taxes apparently is to compel many synagogues to close down and rabbis to resign, the Chronicle said.

democracy, and in combatting Fascism and anti-Semitism.

The American Jewish Congress letter was similar in vein to that of Mr. Levin-Shatzkes'. The letter, which was signed by Rabbi Stephen Wise, said, in part: "The time has come for the Jewish community to be advised of the true character of the Jewish Peoples' Committee. This organization is under the control of a group of men, who are affiliated with the Communist party. With respect both to the Communist party line and to the work of the Jewish Peoples Committee, it is felt that since the signing of the Nazi-Soviet Pact, in August, 1939, Communist policies are in accord with those of the Nazis."

## Lineman's paradise?

A telephone pole nine hundred and sixty feet high . . . more than five times the height of Niagara! Doesn't seem reasonable, does it . . . especially when you think of the man with the spikes! But that's how high a pole would be if it carried the 4,242 wires now packed into a cable only 2½ inches thick!

Which means what?

Simply that telephone engineering has gone a long way since you last tangled a kite-tail in that maze overhead!

Today's telephone poles don't have to be abnormally high . . . nor do we need as many in proportion to traffic. . . . Nearly 97% of this company's wire mileage is now in cable, and nearly 61% of it in underground cable.

That is just a sample of many ways in which your telephone company has met changing conditions . . . given you better service despite a tremendously increased "load."

**ITEMS I NEVER KNEW ... 'TIL NOW**

Billy Gilbert has named his estate "Gezunt Heights."

Ned Russell, of the United Press, was given a 3-week vacation in Dublin, and came back with a story which shows the extreme eagerness and the extreme ends to which the Irish Free State is going to preserve its neutrality. The Irish navy (consisting of two torpedo motorboats) was ordered on maneuvers, and their instructions read: "You will proceed from the harbor to sea, where you will meet and engage either the Hood or the Scharnhorst . . ."

At Fort Williams, there is a Private William Williams, who comes from Williams Street, Williamson, W. Va. (or, to put it briefly, where there's a Williams, there's a Williams).

A discussion was in progress about democracy, and one of the group seemed to think his ancestry entitled him to a dogmatic view on everything. "I think," he smirked, "that the argument on America should end with my views. After all—my ancestors came over on the Mayflower" . . . "You're lucky," was soprano Genevieve Rowe's comment, "after all, the immigration laws are a bit stricter now."

The America First outfit claims in its ads that it hasn't wealthy backers . . . A few months ago that group was asked for a list of its backers, but refused to give it. Finally they gave a partial list, which included many wealthy men and women . . . Why have they such short memories?

In the new book, "Men and

Politics," the author says: "Germany has no unemployment. But neither has a prison."

According to the Open Book, whether a black cat following is bad luck depends on whether you're a man or a mouse.

When it was rumored Marshal Goering might receive an Austrian Knighthood, Punch suggested his new title be: "Sir Cumference."

**MEMOS OF A . . . GIRL FRIDAY:**

Dear W. W.: After two months of trailing Jan Valtin, Steve Birmingham (the Dies Committee sleight) caught up with him in the parking lot opposite The Algonk and served him with a summons . . . Jimmy Walker evened things with certain Hollywood people (formerly of Broadway) at the Jack Benny fair. Jimmy called to the spotlight man and said: "Please turn off the light so I can see the people who couldn't see me the last four years."

Just got a button reading: "I'm a Copperhead." It is the emblem of a West Coast outfit whose meetings are attended regularly by most Bund members out there. The head of it is the chairman at the Save America First meetings in L. A. . . . Quentin Reynolds sent a cable to friends saying: "The Saturday blitz and the arrival of Hess took Londoners' minds off the war!—Your Girl Friday."

**PRIVATE PAPERS . . . OF A CUB REPORTER**

Jimmy Dorsey kept the gagging going when he relayed the one about the same dictators who were arguing over the division of spoils . . . Hitler, of course, was conceding nothing to his very junior Axis partner in crime . . . Finally, Benito could stand the humiliation no longer, and he blurted: "Listen, Hitler. Where would you be today if it weren't for my help?" . . . Hitler retorted: "In London!"

**Werner Speaks at Memorial Meeting**

Rabbi David Werner was main speaker at a Memorial meeting in honor of Mrs. Louis Mendelsohn, wife of the late Dr. Mendelsohn, and daughter of the late H. Altschul, one of the founders of the Rabbi Isaac Elchanan Yeshiva College of New York, held on May 18 in Jersey City.

While in Jersey City, Rabbi Werner was the guest of Rabbi Josph Kanowitz, chief rabbi of Newark.

The formula for modern magazines seems to be top-heavy with half-dressed females.

For a WOMAN'S fancy

BY EDYTHE JAY

What's so grand as a summer day  
And you in clothes beguilingly gay? . . .

Blaze sun, blaze . . . See if we care . . . 'Cause burrowing in the sand and splashing in the surf are the ultimate in fun . . . Summer arrives on Decoration Day, three weeks ahead of time, with the opening of the public beaches, and goes on until Labor Day, when the skins of beach-goers show a tawny glow that only a long winter can bleach out . . .

Beach clubs and casinos are prepared to handle record-breaking early season throngs, with marked improvements in accommodations and playing facilities already completed . . . Golf courses show midseason activity . . . The bride trails echo the hoofbeats of uncounted horses, and nearby lakes are alive with water craft of all varieties . . . You can find almost all and/or any vacation facilities in our New England — or you can just spend the Summer retracing history's footsteps . . .

In order to be utterly carefree, however, an impeccable wardrobe is a major requisite . . . First of all, tho', this . . . Your beau—he's in the army? . . . Yes? . . . Surely you won't forget him even if you do cheat just a little bit . . . As a sentimental reminder, to keep him in your heart always, we suggest twin identity bracelets . . . It reminds the draftee he's gone but not forgotten . . .

The girl he leaves behind wears a miniature of his chain bracelet, with his name and serial number on the disc . . . Sterling silver, with non-tranishable finish . . . Interested? . . . Write us c/o The Herald . . . We'll be awfully glad to tell you where they can be obtained . . .

Now for ideas on summer scene stealers . . . No doubt they'll call you sissy, but nonetheless dress up in white pique . . . Remember those white piques of your childhood, the ones you were shoved into after you'd been tubbed and scrubbed to a high shine . . . They're back—the whole gloriously fresh and gleaming gamut of them . . . Just as touch-me-not, just as suds-of-soap white . . . You'll wear them for country — for dawdling and playing — for looking like your mother's little angel again . . .

Fashion conscious femmes are taking notice of "rusticiana" clothes . . . They belong in the country . . . There are lisle stockings, which makes more sense than bare legs or sheers for fence-climbing, bramble browsing and such . . . They're showing fuschia stockings with navy serge skirt, white sharkskin shirt, and just for fun, the whole thing topped off with a fuschia stocking cap that has a stocking-shaped tassel . . .

Guess feminine figures are getting better . . . For all over town, the style bathing suit that's getting the biggest play is the native that bares the wide midriff

# Scene Around Town

BY HENRY DAVIS

More than 100 friends of Beatrice Wald and Archie Fain gathered last Monday nite at the Metacombe Country Club, at a supper dance, to honor the couple who will recite their marriage vows next month . . . Three of Archie's bosom pals were sponsors of the event . . . Among the frolickers were spotted the newly-wedded Abby Goldblatts and Bob Rices . . . Mildred Kelman . . . Si Greenbergs . . . Irving Fleishman. Arthur Schiffman . . . Bertha and Dan Jacobs . . . Jack and Mollie Fain . . . Miriam and Irving Fain . . . Jean Shepard . . . the Harry Woolfs . . . the Fay Blocks . . . Sam Medoff . . . the Al (Lindy) Cohens . . . the Marty Chases . . . the Sam Lazarus . . . Nat Dwares . . . Mrs. Rose Jacobs . . . the Al Rosens . . . Jack Temkin . . . Sylvia and Eddie Bosler . . . the Doctor Banice Feinbergs . . . Danny Miller . . . and many, many others . . .

The Sam Dicks and Albert Weiners will spend the holiday at Nathanson's Hotel in Millis . . . The Arkie Weiners are bound for Albany for the week-end . . . The Irving Leaches are receiving congratulations on a son born at the Homeopathic Hospital . . . Rose Pickar, who will be wed on June 29 to Lester Eisenstadt, was feted at a shower on Tuesday night at Weinstein's, by her mother and future mother-in-law . . .

From a story coming from a source that we usually consider reliable, we learned this week that a group of appeasers exists in the Jewish community . . . They are blasting the present Inter-Faith Committee Drive for Three Mobile Kitchens to Aid Great Britain, on grounds that it is propaganda for Britain, and that the British Government can well afford to furnish their own kitchens, and why should the Jewish community help them . . . When we summarize the persecution that the Jews have suffered at the hands of Hitler, and the sympathy that's been shown them by the English, it is difficult to imagine the smallness of these people who would sabotage such a worthy project to satisfy their own petty bigotry . . . The Simon Strauss's celebrated an anniversary this week . . .

Here are two of the latest stories about Hitler . . . One relates of a visitor who just returned from Naples and read the story of Italian police who locked up two men caught putting up signs reading, "Down With Il Duce." . . . The two men were immediately released . . . They were Nazis . . . And the other concerns Hitler, who sent for France's most famous Biblical teacher and asked him, "How Did Moses Get His Flock Across the Red Sea?" . . . "He did it very easily," said the teacher . . . "He had a magic wand, with which he cut the water of the sea . . . The water parted and Moses was able to take the flock across" . . . "I know all that," said Hitler, "but where is that wand now?" . . . "It's accessible in the British Museum in London," replied the teacher . . . That's all for now . . .

In the spirit that all free men living in peace instinctively come to the aid of their fellowmen, we believe you will want to contribute to the Campaign for 3 Mobile Kitchens to Aid Great Britain.

# Christian Front Change Leaders

NEW YORK. — The board of strategy of the Christian Front has decided that John Cassidy, recently acquitted by federal trial of charges of plotting against the government of the United States, has been too seriously discredited to continue as leader of their Fifth Column movement. Ryan has all the necessary qualifications. Young, a good rabble-rouser and a dependable anti-Semite, he is as fantastically pro-fascist and pro-Coughlin as his forerunner.
