

New Hospital Fund Ends Active Solicitation

Fund Receives Check for \$26,047.86

Samuel Shore (left) receiving check of \$26,047.86 for the New Miriam Hospital Building Fund from Judge James E. Dooley, president of the Narragansett Racing Association. Mr. Shore, general chairman of the drive, later issued the following statement: "As chairman of the Miriam Hospital Building Fund and in behalf of the board of trustees of the Miriam Hospital, I wish to express my deep appreciation to Judge Dooley and the board of directors of the Narragansett Racing Association for their generous contribution to this humanitarian cause."

Total Pledged \$700,000; Victory Dinner in December

With a total of \$700,000 pledged—\$50,000 short of its goal—the New Miriam Hospital Building Fund Campaign has been officially closed and there will be no further active solicitation, Samuel Shore, general chairman, announced this week. He emphasized, however, that temporary failure

to reach the drive's goal will not deter the committee from going ahead with plans for reaching the goal at a later date.

"Officially, our drive is ended and the total raised to date is \$700,000", Mr. Shore said. "There will be no further active solicitation out of deference to other campaigns now under way or soon to be started—namely, the United (Continued on Page 2)

Make Them Proud of Us

The 1944 Campaign of the R. I. United War Fund to raise \$2,314,815, which begins on October 15 and extends through the balance of the month, offers an opportunity to everyone, regardless of his means, to share in one of our most worthwhile fund-raising activities in such a way as to earn the approbation of the men and women in our fighting forces.

For virtually all of the 140 service agencies in whose behalf the United War Fund asks our voluntary contributions are related in some way to those who serve with our troops. USO, War Prisoners' Aid and United Seamen's Service serve our fighting men directly, wherever they are, the world over. The War Relief agencies, through their humanitarian services to war victims and refugees, are doing just what our soldiers, who have seen so much of suffering, homelessness and hunger in the world, would want them to do. And the 118 local community chest agencies have been serving the families of our soldiers and sailors and are making ready to serve them when they come home.

When we consider how directly these agencies are related to our fighting men; when we realize that this one appeal is made on behalf of so many worthy causes; when we realize how much we all of us owe to those who are doing our fighting for us, it would seem that the most generous gift possible would be the giving objective of each one of us. We are proud of them, and we should want "to make them proud of us."

Racial Issues Flare in Politics Party Leaders Trade Charges

WASHINGTON — The racial and religious issue flared up again in the 1944 political campaign with Republican and Democratic Party leaders accusing each other of dragging it in despite promises to the contrary. Robert E. Hannegan, National Chairman of the Democratic Party, accusing Republican State Chairman Jaeckle, of New York, of a "rank exhibition of racial and religious discrimination," charged that he had refused to endorse the renomination of Representative Mruk of Buffalo because "he (Mruk) was a Catholic and of Polish ancestry." Replying to the charge, Mr. Jaeckle released a letter he sent to Representative Woodruff (D., Mich.)

Moscow Warns of Package Fraud

MOSCOW — The Jewish Anti-Fascist Committee here has revealed that it has received "numerous complaints from Soviet citizens that individual parcels which they receive via Iran from relatives in the United States, Palestine and other countries are plain fraud."

Their overseas relatives pay good money for parcels that contain useless trifles such as buttons and shoelaces. Firms engaging in such swindle should be denounced and prosecuted. The warning is signed by Solomon Mikhoels, president of the Jewish Anti-Fascist Committee. This charge involves private concerns only.

Jewish War Veterans Demand U. S. Postwar Immigration Policy

Pass Resolution At Conclave

Hear Tributes from Roosevelt, Dewey

NEW YORK — Postwar immigration to the U. S. A. was urged last week-end in a resolution passed unanimously by the Jewish War Veterans at its 49th annual convention at the Hotel Commodore.

The resolution contrasts with one passed at the recent American Legion convention asking that immigration be stopped until unemployment drops to 1,000,000.

The organization urged that "the traditional American policy of offering haven to newcomers from foreign lands be continued within the framework of our present immigration laws, so that the U. S. A. may continue to grow and prosper in the forefront of nations upholding democratic traditions and so that the ideals of liberty and opportunity, toward which the United Nations are now heroically striving, may remain a living inspiration in the progress of mankind."

Communal Leaders Attend Tribute to Isaac Feinstein

More than 400 persons attended the testimonial dinner to Isaac E. Feinstein, given last Saturday night at the Narragansett Hotel, by five organizations, to mark Mr. Feinstein's nine years as super-

intendent of the Jewish Home for Aged and to wish him well on his new position as executive director of the Zionist Organization in Philadelphia.

Cahir, acting Mayor of Providence; Mrs. Samuel Michaelson, president, Ladies' Association of the Jewish Home for Aged; M. Louis Abedon, president of the Providence Zionist District; William H. Sytk, national membership chairman, Zionist Organization of America; Col. Montefiore G. Kahn, of New York; vocal selections were given by Harriet and Bernice Feinstein, accompanied by Benoit Goulet; presentations were made by Jacob I. Felder, vice-president of the Home, Nat C. Wounded on Yom Kippur, Credits Life to Holy Day

WASHINGTON — Although he lost an arm and suffered a leg wound during his last mission, a bombing raid over Aachen, Germany, Capt. Sidney Hantman, 28, 8th Air Force pilot, today believes that he is alive because his injuries occurred on last October 9, which was Yom Kippur last year.

Now a patient in Walter Reed Hospital, Capt. Hantman said that when his plane returned from the raid, four hours after a German rocket bomb had crashed through the tail and torn off his arm, he was unconscious from loss of blood, and the doctors feared he wouldn't live.

Detroit Called "Powder Keg"

WASHINGTON — Describing Detroit as a "powder keg" of racial bigotry which could be set off by postwar discrimination in employment, Clarence Anderson, executive secretary of the Metropolitan Detroit Council on Fair Employment Practices, said that it would take a permanent FEPC to maintain "equitable order" after the war. He testified at a senate subcommittee hearing on a bill to establish a permanent Fair Employment Practices Committee.

Child Care Expert to Speak At J. F. C. S. Board Meeting

Lawrence C. Cole, administrator of Children's Services of the Rhode Island State Department of Social Welfare, will be the guest speaker at the board meeting of the Jewish Family and Children's Service, to be held this Monday evening at 8:15 o'clock in the offices of the agency, 100 North Main street, it was announced by Jacob S. Temkin, president.

Mr. Cole, who recently assumed his new appointment in Rhode Island as the result of a nation-wide

examination, has had many years of experience in the field of child welfare. From 1921 to 1942 Mr. Cole was executive secretary of the Cleveland Children's Bureau and the Children's Aid Society. Subsequently he became executive director of the public child welfare program in Cincinnati. While in Cincinnati, he was a member of the board of directors of the Child Guidance Home, which is a Jewish organization for the study of children with special problems.

Warns Against Political Prejudice

NEW YORK — Likening anti-Semitism in the 1944 political campaign to the wave of anti-Catholic feeling that reached a climax during the 1928 campaign when Alfred E. Smith was the Democratic presidential candidate, Joseph M. Proskauer, president of the American Jewish Committee and former Supreme Court Justice, warned that "Hitler-made political anti-Semitism" is threatening the American way of life.

"No Apology for Being a Jew," Says Hillman

Scores Attempt to Link Communism With Jewry

NEW YORK — "I don't apologize to anybody for being a Jew and a naturalized American," Sidney Hillman, chairman of the CIO Political Action Committee, stated in a speech before the annual convention of the United Electrical, Radio and Machine Workers, in which he said:

"Red-baiting and Jew-baiting go hand in hand.....It is not surprising that Hitler has for years been calling Mr. Roosevelt a Jew, that the native American fascists have been screaming about the 'Jew Deal' and that the Hearst-McCormick-Patterson Axis rarely misses an opportunity when discussing PAC to drag in the fact that I am a Jew and that I was born in Lithuania.....And I don't apologize to anybody for it....."

Talk Being Spread
Victor Riesel writing in the

N. Y. Post says:

"Isolationist [Mid-West] Republicans who are running a raucous anti-Semitic campaign against President Roosevelt, without consulting Governor Dewey, are creating a new bogeyman—a Jewish 'Gestapo' which supposedly has sufficient influence to force government investigations of Republican and Catholic organizations.

"This is a new twist of the old 'invisible government' legend, a favorite of professional anti-Semitic promoters.

ADL Called 'U. S. Gestapo'
"The 'Jewish Gestapo' idea, about which you may hear much within the next six weeks, has been tracked back to some of the Dies committee personnel and a professional Roosevelt hater named Joseph P. Kamp. The Dies associates have operated thru a whispering campaign.

"A few days ago Joe Kamp, who long has lived off the income he gets from a special sucker list of anti-New Dealers, nationalists and worse, used the Jewish 'Gestapo' legend at a hearing of the House Campaign Expenditures Committee. He charged that the B'nai B'rith's Anti-Defamation League was 'the central unit of an un-American gestapo which works in close harmony with the Department of Justice'. Kamp mentioned other Jewish organizations which allegedly were part of the 'Gestapo'."

Hospital Ends Active Solicitation

To Hold Victory Dinner in December

(Continued from Page 1)

War Fund Drive and the new War Bond campaign.

"While this leaves us \$50,000 short of the \$750,000 we set out to raise, we are confident that we will have achieved full success by the time the Victory Dinner is held in December.

"It is impossible," Max L. Grant, president of the hospital, stated, "to start actual construction until after the war is won. But to have waited until then to begin raising the large amount of money that will be needed would have further delayed the project, and everybody knows how critically short of hospital facilities we in Rhode Island are and will be for some time to come. As it is, we have made a highly satisfactory start, and the moment materials become available, construction will be undertaken without having to worry about finances at that time."

The campaign was launched last June 5 and hundreds of workers of all creeds devoted much of their time throughout the summer and early fall. Despite record heat this summer and an invasion and a hurricane, Maurice Stollerman, campaign director, said, the response has been as satisfactory as could be expected.

Victory Dinner

"A Victory Dinner will be held for all workers in December," Mr. Stollerman said. "And I am hopeful that by that time the event will indeed live up to its name and announce full victory in our campaign. We have encountered many handicaps—all of them unavoidable—but despite them we have done well. We can now promise the people of our State a hospital twice the size of our present building, with countless more facilities, for treating the sick and for preventive work, at a far more advantageous site, out of the city's traffic and noises, yet readily available to patients, visitors and doctors and nurses.

"We are not at all disturbed or deterred by the apparent failure to raise, at this date, the full \$750,000. A number of reports are still to come in and the interest shown in two of our special projects in connection with the new hospital will, I am certain, bear fruit. One of these is the special gifts to pay for the Children's Wards at the new hospital in honor of children; the other is the proposed Roger Williams room."

The latter project is being sponsored by the Rhode Island Council of Churches and is in charge of Rev. Earl H. Tomlin, secretary of the council, who has been active in the hospital campaign since its inception.

Roger Williams Room

Dr. Tomlin heads a committee of clergymen which is directing an appeal for contributions through the Protestant churches of the State. Funds so raised will be used exclusively to pay for a room at the hospital to be known as the Roger Williams room, in honor of the founder of our state and his conviction on the freedom of religion.

"Contributions are coming in to our committee," Dr. Tomlin said, "and we have every hope that we will be able to make a substantial gift to the fund."

In expressing his gratitude to those who have taken an active part in the drive as well as to contributors, Max L. Grant, pres-

Marine, 15, Given Honorable Discharge

PARRIS ISLAND, S. C. — Eugene Gottlieb, a 15-year-old Brooklyn boy who convinced a local draft board that he was nineteen and joined the Marines, was given an honorable discharge from the Marine Corps after his mother notified authorities of his true age. Ex-Private Gottlieb completed nearly four months of the rugged "boot camp" training here and had a fine record as a soldier. He qualified as an expert on the rifle range.

Welles Urges Global Rights Bill

PHILADELPHIA — An international bill of rights "to make certain that Nazism and Facism can not rise once more to curse mankind," is advocated by Sumner Welles, former Undersecretary of State.

Welles, speaking at a mass meeting here last week which was sponsored by the United Nations Council of Philadelphia, said an international organization which would insure freedom of worship, of information and of expression might be accomplished by requiring "every government which becomes a member of that world body to demonstrate that these rights" are guaranteed.

ident of the hospital, promised that the new hospital itself and its service to the community will be a permanent tribute to their efforts.

"While all of us connected with Miriam Hospital and the campaign want to express our gratitude," he said, "mere words, however sincerely meant, are inadequate. The blessings of those whose lives you will have helped save and of those whose ills you will have helped cure, these will be your real thanks. Our families, our friends and neighbors—all of us—will be the real beneficiaries. How much better to contribute to something that will save life rather than take it."

THE JEWISH HERALD

MEMOS OF A NEWSPAPERMAN:

Time echoed the oddity-in-the-news about the soldier overseas who was hit by a shell fragment which contained the number on his own dog-tag.....The newspapers fell for it, too, a week earlier when a Canadian Press dispatch said an RCAF batman was named as the one it actually happened to in Normandy.....The report stated that his name was George McMillan of Nova Scotia. The number on the fragment was 26750—the number on his identity card.....The Herald Tribune carried it, too, a week after it published an article (Aug. 13th) in its magazine section titled: "Lucky Shot" by Gen. Patton's wife. She said it happened in the last war!

Lou Holtz and some others were reminiscing about Ziegfeld and how the master-showman always "had class" even when he couldn't afford it.

There was the time, friaxmple, when Ziegfeld was in Hollywood after squandering another fortune on a failure in New York. He wired his old friend Ed Wynn..... "I know I owe you \$65,000," it said. "but I need \$7,500 desperately. Will you help me out again?"

Wynn instructed his bankers to rush Ziegfeld the \$7,500.....Ziegfeld used it to return to N. Y. in a private Pullman!

Max Herzberg, who collected a bookful of anecdotes which he christened: "Insults," considers this his favorite.....Once Disraeli and Gladstone collided verbally in the house and as Gladstone came out after adjournment he was still shaking with rage.....He glimpsed Disraeli chatting with other members and he shouted: "Sir, you will come to your end either on the gallows or by some terrible plague!"

Disraeli adjusted his monocle and softly intoned: "I should say, Mr. Gladstone, that depends upon whether I embrace your principles or your mistress."

The G-Men follow through on every tip, of course.....You never can tell.....Several of them were assigned to a real hot one last week.....A woman, reported the information, had many signs in her bathroom reading: "Good morning, Mein Fuehrer....." "Heil Hitler!" and "What have you done today to improve the Master Race?".....FBI agents, disguised as plumbers, investigated and confirmed the tip....."You bet I put them up!" she boasted. "But I'm not a Nazi!".....It took hours before they broke her down.....She was fed up with her husband's dictatorial attitude, and he had stopped speaking to her.....She hoped to insult him by comparing him with Hitler!

Add capsule criticisms that will live, Don Herold's: "The dogs in 'Uncle Tom's Cabin' are poorly supported by the cast".....Robert Benchley: "Perfectly Scandalous was one of those plays in which all of the actors enunciated very clearly".....Anon: "The trouble with Katharine Hepburn in 'The Lake' is that she didn't throw herself into it enough."

NOTES OF AN INNOCENT BYSTANDER:

The Magazines: Newsweek's good word-wedding: Its drama critic, describing a singer portraying a hammy actress, wrote: "She plays the role of a Mae Westphalian prima donna".....The same

mag reminds Russian-baiters that the Soviet casualties are almost five times greater than the U. S. and British combined....."Seventeen," a new mag for the junior-miss set, has a refreshing slant.....Earl Wilson is represented in Everybody's Digest, a mag with zing.....Pic rolls out the silver lining for scientists who insist civilization can attain Utopia. Meanwhile we'll be content with the closest thing to it—America.....American Mercury's circulation is climbing steadily and for good reason. It makes sense.....John Roy Carlson, the "Under Cover" author, does another excellent job in The Woman magazine.....In a few weeks the same mag offers his "Daughters of Dissension and Defeat," which undresses the various phony "Mother Patriotic Clubs."

Navy Sec'y Forrestal got a huge howl at the Waldorf dinner in his honor with this: "There are two wars. We are winning the first one and we are going to win the second. But there are too many experts. That reminds me of the expert engineer who knew what it was all about. You know what an expert is. He's a mechanic away from home!"

Capt. J. Farra, 51, has been in the Army 35 years.....He was asked to fill out another questionnaire. The first question was: "Civilian occupation?".....To which Farrar potted down: "Child!".....In Indianapolis a man was nabbed climbing over the wall of the Indiana women's prison. The police learned he was the prison engineer and had forgotten his keys.....A certain prima donna complained to a newspaper man that she was getting nervous and irritable and just didn't want to see people. "Give a concert," he suggested.

Ahavath Sholom Presents Menorah to Army Air Field

Irwin Priest, president of the Ahavath Sholom Congregation, presented a Menorah to the Hillsgrove Army Air Field for use at the Jewish services at exercises that occurred last Thursday night at the field.

Chaplain J. F. Merrill, who accepted the Menorah in behalf of the field said: "The generosity of the Ahavath Sholom Congregation in presenting a beautiful Menorah to our Chapel for the use of our Hebrew men is most commendable. In this period of earth-shaking struggle when the forces of hatred and aggression in the world have sought to deny and crush all spiritual values, it is particularly fitting for America to reaffirm those religious concepts that have made us strong in soul as a nation. America, since the days of Jamestown and Plymouth Rock has rested upon the firm cornerstone of personal liberty and personal freedom of worship."

"In these twin freedoms lie the sources of everything we hold dear. From them have come freedom of the press, cooperative forward action in the fight to overcome evil as they arose, justice toward racial minorities and all of the precious liberties that have blessed America as a nation."

"I am glad to have become the kind friend and to accept this magnificent Menorah for Hillsgrove Army Air Field Base Chapel."

112-Year-Old Jew, Believed to Be Oldest in U. S.

DENVER — The oldest living Jew in the United States and, perhaps, the entire world is residing at present in the Beth Israel Old Folks Home in this city, it is disclosed in the Intermountain Jewish News.

The patriarch is 112-year-old Mottal Cohen who smokes, drinks, prays and curses Hitler daily. A native of Russia, Cohen came to the United States in 1898 from Argentina where he spent several unsuccessful years on a farm provided by the Baron de Hirsch Fund. Mr. Cohen has had two wives and 12 children, most of whom are dead. His first wife died 30 years ago and he was divorced from his second when he entered the home 12 years ago at the age of 100.

Conference Session To be Held Dec. 3

NEW YORK — The second session of the American Jewish Conference will be held December 3 to 5, inclusive, at the William Penn Hotel, Pittsburgh, Pa. The Interim Committee met this week in New York to consider the agenda for the second session.

Zionists Publish Book on America And Palestine

NEW YORK — A 500-page volume entitled "America and Palestine," containing endorsements of Jewish aspirations in Palestine by more than 400 members of the Senate and House of Representatives—77% of the United States Congress—has been published and is being distributed by the American Zionist Emergency Council.

The book is a documented history of the American Government's policy of friendship for the Zionist program from the first World War up to the present time. Highlighted in the book are the pro-Palestine planks included in the platforms of both the Republican and Democratic Parties.

Also contained are the texts of resolutions condemning the White Paper Policy and urging support for a Jewish Palestine which have been passed by the Legislatures of nineteen states, comprising approximately 60% of the country's population.

Hitler Letter Saved Jews In Belgium for Three Years

BRUSSELS — While the persecution, mutilation and deportation to death camps of foreign-born Jews in Belgium began the day the Nazis occupied Belgium, the native Jews were spared till September, 1943, thanks to the personal intervention of Queen Mother Elizabeth with Adolf Hitler and a letter she had obtained from him assuring them safety "provided they behaved," it has just been revealed here.

Queen Mother Elizabeth wrote personally to Hitler in behalf of native Belgian Jews. A copy of Hitler's reply was sent by Queen Elizabeth to Chief Rabbi Ullman. The letter was produced by Belgium's Minister of Justice when mass arrests of Jews began and is believed to have mitigated the situation. On September 3, 1943,

the Nazis began deporting all Belgian Jews and the Queen Mother's intervention was no longer effective.

There has been discernable difference in the treatment meted out to the Jews in Brussels and to those in Antwerp. In the latter city, with its large Flemish population, the Nazis were aided in their hounding of the Jews by the Degrelle-led Flemish fascists. The whole Antwerp Jewish community was liquidated, with the survivors succeeding in finding shelter in the homes of Belgian patriots in Brussels. Until the mass arrests of all Belgian Jews began, Brussels was probably the only Jewish community in occupied Europe that held daily services and maintained skeleton functions.

British Jews May Send Delegation To U. S., Canada

LONDON — British Jews may send a representative to the United States and Canada to confer with Jewish leaders there on the problem of coordination of postwar relief for Jews in Europe and forming a single unified body to represent the interests of Jews in connection with all postwar questions, it was indicated here at a meeting of the Board of Deputies of British Jews.

Discussing the desire of British Jewry to participate in furnishing relief to the destitute Jews of Europe, Prof. Selig Brodetsky, president of the Board and chairman of its foreign committee, said that co-operation of Jews throughout the world is necessary to avoid the mistakes of Jewish groups at the last peace conference.

It Happened This Week

It was quite a turnout last Saturday night at the Isaac Feinstein testimonial dinner held at the Narragansett Hotel. Isaac left this week for Philadelphia but he will return to Providence about the first of November to acquaint his successor with the routine of the Home. The new superintendent's name is Max Alexander. Born in Germany, he came to this country in 1923 and since then has been actively engaged in social welfare work in and about Chicago. He is married and has two children, both girls. Dinner sidelight: Joe Galkin penned a song about Feinstein's stay in Providence. The words fit the tune of "Thanks for the Memory" but Joe was too shy to have it sung.

Odds and Ends

Cpl. Samuel Gan was in town for a 10-day furlough and during that period his wife Gladys did right well in entertaining for Sam's friends. Spending an evening in their company is a revelation. There was a steady stream of visitors from all over the state and we were told that there were hardly any duplication during his entire visit. The Herman Goldbergs were in New York last week. The Leo Bobjars left for the big city on Wednesday. Marilyn "Micky" Fogel, daughter of the Jacob Fogels, seemingly has cornered the honors at Rhode Island State College.

She has just been elected president of the Woman's Student Government there. A senior, majoring in business administration, she has successfully held the post of secretary, president and treasurer of the Woman's Dormitory Association, secretary and vice-president of the Woman's Athletic Association and secretary of the Student Senate.

Sea Story

Lt. (j. g.) Joseph Teverow, son of Philip Teverow, stationed aboard one of Uncle Sam's destroyers, wrote home this week about Rosh Hashonah services. His letter, in part, read: "This year I had my own New Year's services. We have about ten Jewish boys aboard so I got them together and had a service with some books that a Jewish Army chaplain gave us in a port we visited recently. It wasn't much of a service, but it meant a lot to us. In fact it meant more than any large service in a synagogue or a temple. He concluded his remarks with the statement that he's still a long ways from home."

Wisdom Clippings

These are curious days. Waiters are lords of all they spray. Today, a premature baby is one born before its parents are married. Have you seen one of those cards which say, "Why be seemingly has cornered the honors at Rhode Island State College. effort you can be impossible?"

French Clergy Turn Down Request to Release Orphans

PARIS — The reconstituted Jewish consistories of France have been struggling for weeks with the perplexing problem of how to overcome the resistance of the French clergy to their efforts to reclaim Jewish children sheltered in Christian homes, in churches and in monasteries during the Nazi occupation. Thousands of Jewish children have been scattered in homes and Catholic institutions throughout France. It was reported in the first days following the liberation of Paris that Jewish partisans who kept track of the Jewish children in their dispersion throughout France

Bishop Keough Endorses Fund

United War Drive Begins Sunday

Endorsement of the R. I. United War Fund was given today by Most Reverend Francis P. Keough, D.D., Bishop of Providence. The campaign for community chest agencies and war relief groups will be held October 15 through November 1.

"The social, health and welfare agencies, the USO that means so much to morale on the home front, the war relief agencies and the War Prisoners' Aid, bringing encouragement and support to our Allies abroad, again this year, through the Rhode Island United War Fund campaign, make their appeal for 1944 to residents of this State of Rhode Island," Bishop Keough said in his endorsement to Raymond H. Trott, general campaign chairman.

"The success of this great humanitarian cause is vital to the Armed Forces. The need for this activity increases in direct proportion as the end of hostilities appears on the horizon.

"In endorsing the Fund, therefore, I hasten also to recommend it to every thoughtful citizen in the State, and to assure the sponsors of this worthy cause that the importance of this Campaign will not escape the attention of our people."

STEAL LIBRARY

PARIS — The disclosure that the world-famous library of the Alliance Israelite had been moved from Paris immediately after the German occupation of the French capital, was made here this week by Julian Weill, Chief Rabbi of Paris.

Brigade to Take Part in Occupation of Germany

LONDON — The Jewish Brigade now being formed in Britain will not only be represented "as a distinct formation" in the final struggle against Germany, but will also "take part in the occupation which will follow," it was disclosed this week by Prime Minister Winston Churchill in his address to the House of Commons following his return from the Quebec Conference.

Mr. Churchill said that in forming the brigade the British Government had acceded "to the request of the Jewish Agency for Palestine" and that it was only "appropriate that a special unit of

Raise \$44,250 For Catholic Drive

NEW YORK — Morris J. Solomon—well known in Brooklyn as "Moishe" Solomon—raised \$44,250 as chairman of a campaign for the Catholic Seaman's Institute. Following the presentation of the check, Fort Chaplain William J. Farrell, Postmaster Frank J. Quayle, Jr., vice-chairman of the campaign, called the "combination of the Farrells and the Solomons an answer to the dissenting minorities of both faiths that the Jews and the Catholic can do a real job together."

Says U. S. Opinion Approves Zionism

Goldman Gives Press Interview

JERUSALEM — Declaring that it "is an error to regard the Palestine planks of the Democratic and Republican platforms as solely a campaign maneuver, Dr. Nahum Goldman, member of the Executive Committee of the Jewish Agency for Palestine, stated at a press conference on his arrival from the United States for conferences here, that "a Gallup poll would reveal that at least 85% of all American public opinion endorses Zionist aims in Palestine."

This endorsement comes from all Christian church organizations, excluding the Catholic church which has not adopted a definite attitude, from all labor organizations, which are on record for a Jewish Commonwealth, and from the press, he said.

Sweeney Group To Fight Fascism And Intolerance

BOSTON — Friends and associates of Frances Sweeney, Boston Irish liberal leader, announced this week the formation of the Frances Sweeney Committee "to carry on the fight against native fascism and intolerance."

Announcement of the Committee, which will be affiliated with The Friends of Democracy, Inc., with offices in New York and Kansas City, Mo., was made in a memorial edition of the Boston City Reporter, which the late Miss Sweeney founded and edited.

The City Reporter also announced plans for establishing a Frances Sweeney Memorial Foundation with unsolicited funds received since Miss Sweeney's passing. Also under consideration is an annual Frances Sweeney Memorial Prize to be awarded annually to the Boston citizen judged to have done the most in promoting racial tolerance.

Mothers' Leaders Attacks Jews

At Senate Hearing

WASHINGTON — Testifying before the Senate Education and Labor Sub-Committee's hearing this week in a measure to establish a Permanent Fair Employment Practice Commission to fight racial discrimination in Employment, Mrs. Egnis Waters, leader of "The Mothers of America," attacked Jews and Negroes as being behind the bill.

"Why should Negroes and Jews be given the jobs of white men?" she stated, "Jews hold the finest jobs in the government. They came here a generation ago and rose from peddlars to become the richest merchants of this country. They own most of the stores, theatres and movies, and became millionaires. If we wanted to really deal with them, we would refuse to buy in their stores or go to their movies. And we will do it if they get obnoxious."

Argentina Helps Blacklisted Paper

BUENOS AIRES — The anti-Semitic, nationalist newspaper Cabildo, blacklisted by the United States, buys its newsprint directly from the Argentine Government, according to the newspaper's own admission. The report confirms a United States Department memorandum of last July 26, that such pro-Axis papers as Cabildo, Federal and Fronza have government support and help in getting newsprint.
