**Was Hadassah Charter Member**

JERUSALEM — Miss Henrietta Szold, Zionist leader and social worker, died at Hadassah Hospital here last Tuesday night. She was 85.

Born in Baltimore Dec. 21, 1860, Henrietta Szold taught in Baltimore private schools from 1878 to 1892 and was one of the first to organize night classes for Americanization of Russian-Jewish refugees in America. From 1892 until 1916, she was executive secretary of publication committee of the Jewish Publication Society of America, and from 1904 to 1910 she was editor of the American Jewish year book. During her lifetime she translated many French, German and Hebrew books in English, and introduced the works of Jewish authors in Europe.

In 1912, she and 13 other women organized Hadassah, international Jewish women's organization whose aims are to recreate a Jewish homeland in Palestine, and from 1912 to 1926 she was the group's first president. In

### Australia Doesn't Favor Jewish Colony Project

NEW YORK — The Australian Government's policy on the Kimberley Jewish colonization project is definitely "thumbs down," although the Government is unopposed to post-war immigration of individual Jews, stated Mrs. Archibald Silverman in New York, recently returned from an eight and a half months trip to Australia and New Zealand on behalf of the Keren Hayesod Palestine Foundation Fund.

Mrs. Silverman, while in Australia, visited Senator Collings, head of the Department of the Interior and of Immigration, who stated that the Australian government did not want any segregated groups or an "island within" to spring up in that country.

### Bulgarian Jewry Scores Zionism

JERUSALEM — The Jewish Communities of Bulgaria and the Jewish section of the Fatherland Front, at their first joint meeting in Sofia, passed resolutions declaring that Bulgarian Jewry does not consider itself part of the Jewish people and that the Jews of Bulgaria are Bulgarians of the Jewish faith and have nothing in common with the Jewish communities in Palestine, the United States and other countries.

The Consistoire, Jewish Community Council, will maintain contact, however, with the Jewish Anti-Fascist Committee of Moscow, the resolutions declared. The Zionist movement was described as "chauvinistic and bourgeois," and a demand was voiced for the banning of Hebrew studies.

### Albany Schools to Sponsor Joint Easter-Passover Fêtes

ALBANY, N. Y. — Joint Easter-Passover and Christmas-Chanukah programs will be held in most of Albany's public schools hereafter as a result of a unique project initiated by Rabbi Solomon J. Mosenzon, counselor of the B'nai B'rith Hillel Councilship at the New York State Teacher's College.

As at most institutions, a Christmas program has been traditional at State Teacher's College, but this year Rabbi Mosenzon persuaded the college authorities to convert the Christmas program into a Christmas toy shop and

### "We Want Justice Not Revenge" - Pell

#### War Criminals

#### Must Be Punished

NEW YORK — "We are asking for justice, not revenge, when we demand severe punishment of the war criminals" was the keynote of Herbert C. Pell's address delivered at the American Jewish Conference last Monday.

Professor Hayim Fineman, chairman of the Rescue Committee, submitted a report on the past and present activities of the Conference in the field of rescue.

Referring to the evidence available Professor Fineman stressed that with the approach of German defeat the danger facing the surviving Jews in Axis-held countries is increasing, and that there are still opportunities for saving many lives.

Mr. Pell, former U. S. member of the United Nations War Crimes Commission, traced the organization of the Nazi Party which grew and flourished on the exploitation of anti-Jewish sentiments and in directing the ugly mood of the German population towards the Jewish scapegoat.

#### Zionist Speaker

MRS. ARCHIBALD SILVERMAN

Mrs. Archibald Silverman, who has just returned from Australia and New Zealand in behalf of the Palestine Foundation Fund, will review her observations of the Zionist movement in that part of the world, this Tuesday evening at 8:15 o'clock in the Crown Hotel at a meeting sponsored by the Providence Zionist District, it was announced this week by M. Louis Abedon, president. A summary of current events will be given by Irwin Silverman.

### Group to Function Within Z. O. A.

#### Charles Rosenbloom Heads Committee

NEW YORK — The American Zionist Policy Committee, which will function both nationally and locally within the framework of the Zionist Organization of America in order to "press for a militant and dynamic Zionist policy such as has been exemplified by the successful leadership of Dr. Abba Hillel Silver," was launched this week by a group of prominent Zionist leaders throughout the country, headed by Charles J. Rosenbloom of Pittsburgh.

In a letter sent to a number of leading American Zionists, Mr. Rosenbloom, who is treasurer of the United Palestine Appeal and former treasurer of the United Jewish Appeal, listed the purposes of the American Zionist Policy Committee as follows:

"(1) To deepen Zionist thought and the understanding of Zionist problems on the part of our lay leaders and the rank and file.

"(2) To advocate and press for a militant and dynamic Zionist policy such as has been exemplified by the successful leadership of Dr. Abba Hillel Silver.

"(3) To strengthen the Zionist

### Red Cross Drive Begins March 1

The annual Red Cross War Fund campaign will be conducted from March 1 through April 3, John Nicholas Brown, general campaign chairman, announced this week.

"The month of March has been officially designated by Presidential proclamation for the conduct of the Red Cross War Fund campaign throughout the United States," Mr. Brown said in announcing the date.

"The needs of the Red Cross this year are as urgent; we have so many more thousands of Rhode Island boys serving overseas that it does seem logical to expect a prompt public response to the appeal and an early achievement of the quota."

### Hebrew College Plans New Buildings

#### Returning Veterans

Possible resentments and dissensions among the twelve million returning veterans during the transition period of their reabsorption into civilian society provide a tempting field of action for demagogues and racketeers. From the point of view of minority groups, there is the danger that disappointed ex-servicemen may easily be induced to accept convenient scapegoats for their unsettled emotions.

This problem does not wait on the end of the war; it is immediate. The Army, Navy and Marine Corps are honorably discharging men at the rate of thirty to forty thousand a month, and Walter Davenport reports in a recent Collier's article that somewhere between seventy-five and a hundred World War II veteran's groups are now meeting in thirty states. Into this field, with its lure of political manipulation for profit and power, some leading bigots and rabble-rousers have begun to cast their nets.

The F. B. I. is diligently scrutinizing the rising crop of new veterans' organizations, with particular attention to their organizers, purposes, finances and activities. Prudence and the democratic interest require that citizens cooperate with the Government in seeing to it that these organizations remain free from dominance by unscrupulous demagogues whose aim is to pervert them to their own profit and ends.

#### It's the Little Things

Columbia University's Office of Communication Research has been studying the question of race prejudice as it may appear in stage plays, motion pictures, radio programs, magazine articles, newsreels, comic cartoons and advertising. In many cases it is found to be a thoughtless but nonetheless harmful catch-phrase presentation which emphasizes race difference and caricatures races, such as "avaricious" Jew, "lazy" Negro, "pugnacious" Irishman. And such small examples all add up to a fostering of homefront intolerance.

### To Honor Silver at Testimonial Dinner

NEW YORK — Professor Albert Einstein heads the list of prominent leaders from all walks of life who are acting as co-chairmen of the testimonial dinner being tendered to Dr. Abba Hillel Silver, of Cleveland, on March 21 in the Hotel Commodore.

The dinner, plans for which were initiated by the Zionists of New York, will pay tribute to Dr. Silver for his leadership of American Jewry over many years and for his great contributions to American thought and public welfare. Dr. Silver served as national chairman of the United Palestine Appeal for seven years.

candlelight service, with a good part of the program devoted to a portrayal of the Chanukah candlelight scene and narrative.

Shortly after the Christmas-Chanukah program, Rabbi Mosenzon was called by the principals of two elementary schools and one high school, inquiring why he had not passed on his idea to them as well.

The net result is that henceforth the schools will organize joint Easter-Passover and Christmas-Chanukah programs, the Jewish portions of which Rabbi Mosenzon is preparing.

to his wife and two children in Harrisburg, Pa.

His wife first learned that he was alive when he telephoned her from New York that he was on his way home. He did not say that reports of his death had been greatly exaggerated she said.

At any rate: "My head was whirling around while I talked to him. It was almost impossible to believe." After hanging up the receiver, Mrs. Alderman said, she was hysterical for a time.

Cpl. Alderman was reported killed in action at Guadalcanal after army officials found his identification tag on the beach following a fierce battle.

Actually he had been taken prisoner by the Japanese. He later escaped and hid in dark caves until invading American forces rescued him. He is home on a 30-day furlough now.

### B'nai B'rith Cancels Conclave

NEW YORK — Complying with the request of the Office of Defense Transportation, B'nai B'rith District Grand Lodge No. 1 has cancelled its annual convention which was scheduled for May, it is announced by Lawrence White, executive secretary.

The annual district conventions of B'nai B'rith in the past have brought together approximately six hundred delegates from New York State, New England and Eastern Canada, representing over 200 Lodges and Women's Auxiliaries of America's oldest and largest Jewish service organization.

## Jewish Victims Are Entitled To Reparations Says Expert

**NEW YORK** — In the wake of the Nazi reign of terror over the continent of Europe lies a devastation so vast that the problem of reparation paralyzes the imagination. It is time, however, to think about such restitution as is possible; and in this realm concepts like "claims" and "damages," however abstract by comparison with the human suffering involved, are appropriate.

Much research on this question has gone into a new book, "Legal Claims Against Germany," by Dr. Siegfried Goldschmidt, to be published this month. Dr. Goldschmidt, whose death occurred recently, was a leading authority on international law and had practiced it matters connected with

Organization of America from within by developing a vigorous and informed public opinion among its membership and an intelligent interest in national affairs.

"(4) To revitalize the democratic principle basic to our movement so that the composition and policies of the national administration shall reflect the will and temper of the great body of American Zionists."

Mr. Rosenblum emphasized that the Committee's activities "will in no wise interfere with the political work of the Zionist Emergency Council. As Dr. Silver has repeatedly urged, all constructive Zionist efforts must be carried on with undiminished vigor."

Assailing the Z. O. A. administration's action in forcing Dr. Silver's elimination from the political leadership of American Zionism "after a year of prodigious activity and unprecedented political achievement," Mr. Rosenblum declared: "That such incredible things could happen in the way they did, points to serious internal conditions which must be corrected if we are to avoid major setbacks. The leadership of the Z. O. A. has revealed an appalling ineptitude and an incapacity to deal in a statesmanlike manner with such crises as are bound to arise. It has acted precipitately and arbitrarily. It has either mistaken the sentiments of the great body of American Zionists, or deliberately ignored them."

## Henrietta Szold Dies in 86th Year

(Continued from page 1)

1919 Miss Szold went to Palestine to direct the organization's work here, and set up a medical unit with a staff of 50. Today, its hospital, medical school, clinics and playgrounds are open to Jews and Arabs alike.

In 1935 at 74, Miss Szold was considering retiring, and had her trunks packed to return to America when she was asked to help organize the movement of German refugee children to Palestine.

Although she had not lived in America for 20 years, she was known to 4,000,000 Jews in the United States as the foremost American Jewess of her time. Hadassah celebrated her 79th birthday Dec. 21, 1939, with a series of luncheons and meetings throughout the country. On Nov. 29, 1940, Miss Szold was cited as one of the hundred outstanding women of the past century by the Women's Centennial Congress.

### Turkey Continues To Issue Visas

NEW YORK — The local office of the Jewish Agency for Palestine denied reports that Turkey has refused to grant transit visas to emigrants from the Balkans entering Palestine.

"The Turkish Government is continuing to grant transit to all immigrants who have Palestine certificates," the Agency said. "Under the new quota of 11,000 certificates, 1,500 a month were allowed to come in. As this number was exhausted last month, the Turkish Government stopped giving transit visas to immigrants who arrived. In the meantime, the British Government has resumed the issuing of certificates and the Turkish authorities have resumed granting the necessary transit visas."

The colum forwarded several letters from worried bond buyers who heard enemy-planted rumors that savings bonds wouldn't be redeemed in accordance with their terms.....The U. S. Treasury debunks the rumors with this statement: "The rumors are absolutely without foundation. The U. S. Govt has never defaulted in the payment of its debts. Since the Congress has ample power to provide for meeting all obligations of the govt (when due) there can be no doubt that its promise to pay its obligations (when due) will be carried out. Undoubtedly subversive activity in this country is responsible for spreading of such misinformation. By making known the true facts you could do much to discount the wholly unfounded rumors—D. W. The news that Donald Nelson would marry the young widow Colbourne was tipped here first on December 13, 1943, this way: "We promise to omit the name until he is freed. **Here is a Message and a Promise to You Who are Waiting for a Telephone**

**BECAUSE** the very lives of our fighting men depend on our giving them practically all the telephone equipment that can be made, thousands of civilians in all parts of the country who want service must wait.

How long? We wish we could tell you.

Meanwhile, we are providing facilities as they become available to those most in need, in accordance with government regulations set up to apportion service in the fairest way.

For example, preference is given where certain conditions of illness are verified by the attending physician, and under certain circumstances

preference is given to wives of men away from home in the armed forces.

Of course service is provided immediately in cases where public health, safety and welfare are involved....None so qualified has had to wait for a telephone.

From time to time the War Production Board has modified these regulations, and the scope of the preference list has become somewhat broader. We intend to keep those on the waiting list posted periodically on such changes, and we'd like to have them keep us posted on changes in their own circumstances which would alter their status under these regulations.

By waiting, by accepting the inconvenience and hardships of doing without a telephone, you are sending YOUR telephone straight to fighting fronts.

## Little Prejudice Among Servicemen, Says Rabbi

NEW YORK — A wholesome prospect for postwar America is the spirit of comradeship which exists among men living together under combat conditions, it was declared by Rabbi Philip S. Bernstein, official of the National Jewish Welfare Board, who returned this week from a 35,000 mile tour of the central and southwest Pacific.

Rabbi Bernstein, executive director of the Board's Committee on Army and Navy Religious Activities, was accompanied on his journey by Chaplain Aryeh Ley of the

Office of Chaplains, Washington. The concern of men coming up against the enemy is "not with the antecedents of a gunner but with his character, his ability," Rabbi Bernstein said. "As a result, prejudice is unthinkable. There is a remarkable and healthy spirit of team-work."

Rabbi Bernstein, who made a tour of the Aleutians last Spring for the same purposes—to survey the needs of the Jewish men and to seek means of increasing the Jewish community's service to them—covered many Pacific stations wrested from the Japanese recently and often was in spots surrounded by units of the enemy that had not yet been subdued.

Greeted by high ranking American officers, including Admiral Chester W. Nimitz and Lt. General C. Richardson, Rabbi Bernstein and Chaplain Ley conducted religious services and meetings with the Jewish men in every spot they touched. They found great numbers of Jewish graves in the cemeteries of the Pacific islands they visited, conducting memorial services at every cemetery.

**TO OCCUPY PULPIT**  
Joseph Galkin, executive director of the Jewish Family and Children's Service, will occupy the pulpit at Temple Beth-Israel this evening. His sermon topic will be "Social Welfare and the War." Services will be conducted by Cantor Joseph Schlossberg.

### New Russian Film To Be Shown Here

As German's final collapse and defeat inevitably approaches, and as the arguments over the type of peace we should impose grows in intensity, it is indeed well that Providence will have an opportunity to view and study the Soviet answer to the "soft peace" advocates. The Russian attitude is powerfully set forth in one of the newest full length feature films to arrive from Moscow, "The Rainbow." It will be shown here on Sunday, February 25, at the Rhode Island School of Design Auditorium. There will be two complete performances, running continuously from 6:30 P. M.

In addition to the feature picture there will be another Soviet film, "Leningrad Music Hall", which brings to the screen for the first time Leningrad's most famous stars of song, dance and entertainment. The entire program will be sponsored by the Rhode Island Educational Club.

## Zionist Drive Going Well, Says Licht

### Rabbi Silk Asks Community to Help

More than 200 new members were reported at a reception-meeting held last week at the home of the Zionist Membership drive chairman, Frank Licht, it was announced this week. "This initial result," Mr. Licht said, "is gratifying and we are confident that in the remaining weeks of the campaign we will reach our goal of 700 new members to the ZOA."

In support of the drive, Rabbi Morris G. Silk, of the Congregation Ahavath Shalom, this week issued the following statement:

"Causes come and causes go, but the cause of Zion remains forever. There was never a time in the last two thousand years of Jewish history when Eretz Yisrael was not constantly on the program of the Jewish people. True, a thousand years ago, our ancestors did not know what it meant to campaign for Zionist membership, but Zion, nevertheless, was an integral part of their lives and their aspirations."

"Today, the future of Israel is being tragically imperiled. There is no land of hope for Israel's body or for Israel's soul. Palestine looms on the horizon of the Jewish spirit as the only gleam of hope. Shall we fail our task? Shall we be of those who have eyes but see not; who have ears, but hear not? Had we Jews been serious in the past, we might have saved countless Jewish lives from the fires of Hitlerism. I devoutly pray that every Jew in our community will answer the call of Eretz Yisrael by becoming a member of the Zionist organization and, thereby, assist in the realization of a Jewish commonwealth in Palestine. To our labors, then, to our labors with our strength and our wealth to build not for the moment, but to build forever a land of golden promise, a land of shining hope for Israel's final redemption."

### Playhouse to Offer First Run Pictures

# Bottles! Bottles! *Who's Got the Bottles?* *-and don't forget the cases!*

Somewhere in Rhode Island are thousands upon thousands of cases and hundreds of thousands of bottles bearing the name "NARRAGANSETT" which Narragansett dealers and distributors will gladly redeem for cash.

They are cluttering up pantries and halls and closets.

They are gathering dust in cellars.

They are pinch hitting for kindling wood these days — and pretty expensive kindling, too.

Under normal conditions, we wouldn't mind this very much — in fact the manufacturers of bottles and cases would love it — but —

Today there is a shortage of everything, most of all of transportation, which is needed for military supplies — coal — oil.

So, since we can't deliver our products without bottles and...

Since it is very difficult to deliver bottles without cases — (try carrying loose bottles sometime)
