Mr. Hendel, an attorney, is president of the local chapter of the American Jewish Congress. Other communal posts that he has held include the presidencies of the Providence Zionist District and the Touro Fraternal Association.

The drive will get underway on September 18 and will continue through the month of October.

### Dr. Meitner Urges World Co-operation

#### Scientist Speaks From Sweden

NEW YORK — Cooperation between nations for future control of the atomic bomb was urged this week by Dr. Lise Meitner, the woman scientist whose research aided in its development, in a radio interview with Mrs. Franklin D. Roosevelt.

Dr. Meitner spoke from her home in Leksand, Sweden, the country to which she fled after being exiled from Germany because of her Jewish origin. Mrs. Roosevelt was in the NBC newsroom. The interview was Dr. Meitner's first over the radio. After the broadcast over the NBC network,

### No Synagogue Solicitation; Leaders Acclaim Agreement

The Hebrew Sheltering and Immigrant Aid Society, popularly known as HIAS, has agreed to become a beneficiary agency in the 1945 Campaign of the General Jewish Committee of Providence, Inc., it was announced this week by Archibald Silverman, president of the newly formed organization which succeeds the Providence United Jewish Appeal. This means that HIAS will not run a separate campaign in Providence this year, nor will any solicitations be made in the synagogues or from organizations for this cause.

Admission in the General Jewish Committee Campaign was initiated by the officers of HIAS, and final arrangements were made after two meetings of the executive committee of the General Jewish

Mrs. Roosevelt spoke over the Swedish net work. In the latter interview she said the late President had told her of the atom research project, but never had revealed the secret of the atomic bomb project.

Committee during which there was full discussion of the application. One of the meetings was attended by Isaac Asofsky of New York, executive director of HIAS, with whom the negotiations were completed.

#### Set Allocation Figure

HIAS will receive an amount equal to seven per cent of the 1945 allocation of the General Jewish Committee to the National United Jewish Appeal in order to further their important work of immigrant aid. The National Office of HIAS has agreed to co-operate fully with the General Jewish Committee, and, in view of the fair allocation that will be granted to them, they will not conduct a separate campaign, nor make any other solicitations in Providence.

When interviewed this week, it was obvious that community leaders received the news with joy and satisfaction.

#### HIAS Welcomed

Archibald Silverman, president of the General Jewish Committee and former chairman of the Providence United Jewish Appeal stated that he welcomed the inclusion of HIAS in the General Jewish Campaign. "There are now 46 important agencies included," he said, "and by making one gift to the General Jewish Committee Campaign, a person can benefit most phases of world Jewish life."

#### Greater Responsibilities Now

Alvin A. Sopkin, chairman of the 1945 campaign and of the General Jewish Committee stated that he was "delighted with the news of HIAS joining in the General Jewish Committee Campaign because of the importance of its work and also the fact that without a separate HIAS drive in Providence, more energy and manpower can be devoted to the annual campaign of the General Jewish Committee to take place in November." He added that, "I

#### Anna Rosenberg

Mrs. Anna Rosenberg, in resigning as regional director of the War Manpower Commission to return to private law practice, deprives the public of a hard-working and enlightened servant.

Her record through the war has been outstanding. When factories called for huge numbers of workers—say an order for 100,000 to be provided immediately—she found them somehow. When the farmers were short of help, she went into action and got results. She took the lead in securing funds to care for the children of working mothers. Her policies have aimed at rooting out discriminating in hiring practices, and she has been ahead of others in working for the rehabilitation of veterans. The New York Veterans' Service Center, which she helped set up, has done important work in cutting red tape on veterans' problems.

Undoubtedly there was room for improvement in the handling of home front problems, but it is clear that Mrs. Rosenberg is one official who should be credited with a job well done.

#### The G. I. and Education

Maj. Max Cohen of Boston, an official in the Jewish War Veterans' Association, says that very few returning service men are taking advantage of the educational provisions of the G. I. Bill of Rights.

The fighting lads prefer to go to work and are inclined to look upon returning to school as "kid stuff."

This is a disturbing revelation. But education—even a limited amount of it—will preserve and protect the individual as long as he lives and greatly enhance his earning power and his ability to enjoy life.

### To Free Refugees Interned by Japs

BERN — More than 20,000 Jewish refugees from Germany and Poland interned by the Japanese in Hongkew section of Shanghai will be liberated as soon as the surrender of Japan is complete, it was disclosed here by leaders of Jewish relief organizations.

Contact with the Jewish community of Shanghai has been maintained from here since Japan entered the war against the Allies and made it impossible for the American Joint Distribution Committee to send direct relief to the refugees who escaped from Nazi Europe to Shanghai.

### Solomon Appointed Assistant Postmaster

WASHINGTON, D. C. — Maj. Sidney Solomon of St. Louis, a close friend of President Truman and Postmaster Gen. Robert Hannegan, was recently appointed as executive assistant to Mr. Hannegan. Major Solomon is a former insurance broker from St. Louis, where he was active locally in the Democratic party.

### End of War Will Not Halt JWB Activities, Says Robin

Although the war has come to an end, the Providence Army and Navy Committee of the Jewish Welfare Board will continue to provide entertainment and religious and social activities for servicemen and women in this area, it was announced this week by Paul J. Robin, chairman of the committee.

The Friday night social hour at Camp Endicott, the visits of the Jewish Welfare Board Hospital Committee, theatre parties for convalescents, the dances and parties at the Jewish Community Center and Temples as well as the many other services during Jewish Holidays and on special occasions will continue. In addition to activities in this area the Providence Army

### Manila Musician Foiled Jap Plot to Smear U. S.

BROOKLYN N. Y. — An Austrian Jewish refugee, who fled from the Nazis in 1939, and settled in the Philippine Islands, and a wealthy Philippine citizen, thwarted a Japanese atrocity plot, during the enemy occupation of the islands, which was to have been blamed on American flyers, I. Kaufman, Brooklyn Eagle staff correspondent, reports in a delayed

dispatch from Manila.

Herbert Zipper, Jewish conductor of the Manila Symphony Orchestra, and Benjamin La Gardis, member of a prominent Philippine family, learned that the Japanese planned to bomb and machine-gun crowded Manila streets, with aircraft bearing American markings.

Zipper and La Gardis obtained a large number of five centavo notes and on the blank reverse side, stenciled the story of the Japanese plot. For two hours during the busy morning rush, Zipper walked through Manila streets unobtrusively dropping the notes, folded in such a way as to make the "five centavos" visible at first glance. Many of the notes were picked up by Japanese police. Later an editorial appeared in a Japanese controlled newspaper emphatically denying the story which appeared on the bank notes. The bombing never occurred.

### Goering's Wife Says She Saved Many Jews

STOCKHOLM — Emma Sonnemann Goering, wife of ex-Reichsmarshal Herman Goering, now awaiting trial as a war criminal, claims that it was through her influence over the number-two Nazi that the lives of many of her former Jewish friends, particularly artists and writers, were saved.

Mrs. Goering claims she has nothing left of the furs and jewels confiscated from Jews by her husband and given to her. She is reportedly seeking a divorce.

### Miriam Hospital Left \$10,000 In Finberg Will

Several Providence residents and institutions are named as beneficiaries, along with a number of Attleboro civic institutions and individuals, in the will of Joseph Finberg, for many years an Attleboro manufacturer, who died suddenly at his summer home in Touisset. The will was filed for probate in Attleboro last week.

Miriam Hospital receives \$10,000 in a direct bequest and the Hebrew Free Loan Association of Providence, \$2000. Providence relatives receiving bequests are Gertrude Finberg, widow of Mr. Finberg's brother, \$3000; Edward Finberg, a nephew, \$5000, and Lea Portnoy, a niece, \$3000.

#### MOB KILLS FIVE

PRAGUE — Five Jews were killed by a mob in an anti-Semitic demonstration in Presov, Slovakia here this week.

Telephone Courtesy

These days we feel courtesy has a bigger place than ever in the telephone business. So it is gratifying to know our attitude is recognized and appreciated... even by most of the people who ask us for service we cannot give.

When we made a survey among the applicants for telephones, more than two-thirds said they were satisfied with the way their cases were handled and that our business office people showed genuine interest in their welfare.

Nevertheless we are concerned about the minority who were not entirely satisfied and who felt our representatives showed lack of interest in their situation. In fairness to these people, as well as to our own, we wish they would pay us another call. We cannot promise telephones, but we do promise thorough consideration and friendly understanding of every case.

Even if there is a shortage of telephone facilities, there is no shortage of courtesy.

Two weeks ago, in Frankfurt, General Eisenhower invited Jack Benny and Larry Adler to visit him. They asked him about Zerkov, and Eisenhower replied that "when Zerkov starts talking he frowns so hard, I've got to wink to soften him up." In discussing the military government of Germany Eisenhower said: "In our steps towards the millennium I cannot order people to do things my way. Before we can achieve it I've got to understand them and they me." Mention then was made of rumored agitation, in a few circles here, for a war against Russia. "It is not easy to send men out to battle," said Eisenhower. "Anyone who hasn't learned anything from the death and misery of this war ought to be shot."

Because the Britishers use their forks in the left hand and the Americans in the right hand, Stalin requested that one Russian should sit between an American and a Britisher, and that the comrades alternate in the use of the fork—one using the left hand, the second using the right. This, however, became too confusing. Stalin rescinded the order for the ensuing dinners. Thereafter the Russians alternated differently. One day forks in the left hand, the next day in the right.

## Ledgemont Country Club News

By BERT BERNHARDT

Golf was almost forgotten as all eyes were focused on the newspapers, ears were tuned to the radio announcements, General McArthur made his triumphal Japanese entry and various articles long denied the public were released from rationing. Reconversion became the subject of many conversations. Children returned from summer camps. Summer was almost over!

Ledgemont's better golfers made a weekend trip to Boston. Tumblebrook, Kernwood, Pinebrook and Ledgemont played a four way match. The local clubs royally entertained the visiting firemen. Harold Pulver excelled with two neat rounds of 83. Lou Stone has donated a beautiful silver loving cup for next year's competition. Plans have already been drawn up for the 1946 battle royal.

### Four Ball Tournament

Only one match was played during the week. Max Winograd and Norman Feinberg proved better mudders than Haskell Frank and Walter Strauss. Max and Norman took a commanding lead of four points at the end of the first nine holes. This contest was played on Saturday in a continuous drizzle. The play was resumed on Sunday under more favorable conditions. The result is still in doubt, however, due to a technicality. It all

happened when Normie Feinberg blasted out of a trap and his ball plunked into Walter Strauss's golf bag which was lying off the green on the far side of the hole. Rule 19 does not impose a penalty on the opposing players under such circumstances. The Solomons on the rules committee will bat this problem around for a while and then probably suggest a replay.

### The Ladies in Action

Mrs. Rose Gerber pulled out all the stops to beat Marjorie Fine 6 up, in the Ladies Handicap Tournament. Selma Pilavin tried hard but couldn't match Belle Frank's sterling play. The Women's Club Championship matches start this week. The Rhode Island Women's Golf Association visited Ledgemont on Tuesday.

Al Shore defeated Joe Levin in the Beaten Sixteen Tournament and will meet Hy Cotton in the finals.....15 contestants have qualified for the Club Championship matches.....King Lennie Levin will defend his crown against the best golfers in the club.....Ed Deutch hit a terrific drive for 204½ yards on the 8th hole. With his knees knocking together he holed out for a well deserved "birdie", and a score of 49 for the round. From then on he went to pieces and is thinking of retiring on his laurels for the balance of the season.....Buddy Cotton, one of our promising junior golfers, shot a brilliant 42. Hy had better watch out for his laurels or the son will surprise him one of these days.....My thanks to Walter Strauss for turning out last week's column in such a capable manner.....

carry on their splendid work. It provides assistance to prospective emigrant from European countries, makes representations before Governmental authorities, arranges transportation for refugees destined for the United States and other countries, and administers to their needs upon arrival. HIAS is the only agency through which food and clothing packages can be sent to certain European countries. I know that all of the workers for HIAS over a period of years can be counted upon to redouble their efforts on behalf of the General Jewish Committee campaign."

Leonard Levin, co-chairman of the 1945 HIAS drive stated, "It is gratifying to learn that HIAS has come into the General Jewish Committee. It will give us all an opportunity to devote ourselves completely to the job of putting the General Jewish Committee Campaign 'over the top.'"

### Work Will Be Supported

Charles Silverman, chairman of the 1943 HIAS Campaign, stated, "I am pleased to hear that HIAS will be a participant in the General Jewish Committee campaign. The work done by HIAS over a long period of years is well known to all people interested in helping refugees and immigrants," Mr. Silverman said, "and I am confident that they will receive full support by the community through the General Jewish Committee."

### HIAS Will Co-operate

Max Winograd, Providence representative on the National board of directors of HIAS, issued the following statement: "HIAS is pleased to co-operate with the organized Jewish community of Providence in its endeavors to unify the fund raising activities under the auspices of the General Jewish Committee. It gladly embraces the opportunity of being the first organization of international scope and activities, not heretofore a part of the United Jewish Appeal, to become a participating agency in the forthcoming campaign of the General Jewish Committee of Providence. The spirit manifested by HIAS should prompt similar agencies to exhibit the same cooperative effort to improve and promote the fund raising programs of our community."

### HIAS Oldest Agency

Joseph Galkin, executive director of the General Jewish Committee, informed that, "HIAS is the oldest Jewish agency in the United States assisting in the emigration of Jews from Europe. Its program includes aid in pre-emigration and entry formalities, financing a share of transportation cost and shelter, and other aid to immigrants for a short time after their arrival. During the war period, HIAS has been very active in the location of relatives and in transmitting funds and food packages to refugees overseas."

## It Happened This Week

Communal leaders are gratified that the question of HIAS participation in the 1945 General Jewish Committee drive was solved harmoniously.....It is further evidence that there can be a meeting of minds on communal problems if only people will sit down and discuss their differences intelligently and without bias.....Our congratulations to the officers and committee members of the GJC for their successful efforts.....It's one further step towards community co-ordination.....

### Michaelson Celebration

The Samuel Michaelsons had a gala celebration of their 25th wedding anniversary last Wednesday night at the Narragansett Hotel.....During the evening many telegrams were received from organizations with which the Michaelsons had been affiliated.....The Zionists presented Mrs. Michaelson with three gifts.....Archibald Silverman presented her with a \$500 Victory Bond, an inscription in the Golden Book of the Jewish National Fund and a silver tray..... James Goldman was chairman of the Zionist committee arranging the presentations.....

### Odds and Ends

Our informant on the Barrington Beach victory celebration got his facts a little twisted on the Albert Weiner portion of the program.....The affair last Saturday night was another in the series of victory parties and not a wedding anniversary celebration as was reported.....We regret the confusion that was caused by the item.....Mrs. Mary Coken will be soloist with the Temple Beth-Israel choir.....Lt. J. G. Phillips has returned to Guam after spending a 15-day leave with his wife and family.....He has been in the Pacific area for 17 months, serving with a communications unit and is now attached to the staff of Admiral Raymond Spruance's Fifth Fleet.....

### Here and There

Lt. Harold Goldenberg is now a civilian.....He received his honorable discharge papers from Fort Devens yesterday.....Last week he traveled down to Georgia and brought back his wife Charlotte

and their two sons.....Richard Paster, son of the Irving Pasters, met Dr. Banice Feinberg in Guam.....Richard, attached to an LSM, is now on Saipan.....The Jacob Hochbergs, returning from Narragansett Pier, stopped in to say hello and to state that they are on their way to their winter home in Miami.....What we consider to be the worst case of vandalism brought to our attention happened in the home of Dr. William Waxler.....While the Waxlers were at their summer place at the Pier, hoodlums broke into their house in the city and smashed every piece of furniture, ripped light fixtures, including the telephone, from the walls and ceilings, broke the plumbing fixtures in the bathroom—in fact, there wasn't a thing intact in the entire house.....Among the entertainers last week at the V-J parties at Oakland Beach was Karl Kritz, who sang a number of songs.....As usual we will publish two editions of the Herald carrying New Year Greetings.....Call Gaspee 4312 and reserve your space before its too late.

**Editor's Mailbox****Dartmouth Prexy's Attitude Scored by Herald Reader****DR. HOPKINS RESIGNS**

HANOVER, N. H. — Resignation of Dr. Ernest L. Hopkins, president of Dartmouth College since 1916, was announced today by the board of trustees.

A reader of The Herald this week forwarded the following letter to Dr. Ernest M. Hopkins, president of Dartmouth College, scoring him for recent remarks concerning a Jewish quota at Dartmouth. The letter follows in part:

Dear Dr. Hopkins:

I feel it my duty—as a Jew—to drop you these lines. I do so with a genuine feeling of sincere regret, never believing that, after this world-wide drama caused by racial hatred, I would be justified by nature's inexorable law "cause and effect".

My wife and I were born and brought up in a kingdom of the Balkans, where religious, economic and social conditions were unbearable. We left that country about

40 years ago to settle in the United States. I went into business, attended it properly, and, at the age of 48, I retired in a comfortable financial condition. Meanwhile, our two sons graduated from college. The oldest from Yale University and Yale Law School; his brother, from Harvard University and another law school. Both were excellent students, members of the Bar, and at this time, overseas fighting for the preservation of democracy and human freedom.

**"Character Intelligence"**

My wife, although not a graduate of college, has often told me "the fact that a person is educated doesn't mean that he has character intelligence." When anybody attempts to attack the Jewish people just because they're Jewish—and, there is certainly no crime in that—he creates for himself and against himself a racial Frankenstein. It was so from recorded history until this present day. Why? An enraged public. That's why the Romans rightly said, "Vox populi, vox Dei."

**Armenian Massacre**

You remember as well as I that for centuries the Turks massacred the Armenians. Yet, the entire Christian world did nothing to stop this shameful barbarity. It took Henry Morgenthau, Sr. to convince the Turk to cease this butchery. And, the Jew succeeded.

When George Washington was badly in need of money he first appealed to Christian bankers for money. They asked him for collateral. He had none. But, Haim Soloman, the Jew, gave him, as a gift, the enormous sum of \$600,000—a great sum even in these days of billions and trillions.

Didn't the deceased Pope say that "spiritually, we're all Semites." What you intend to do now, Harvard attempted a few years ago, but public opinion was so aroused that "that conservative community" changed its attitude.

If you insist in trying to limit, on racial grounds, the number of Jewish students enrolled at Dartmouth, you play with a racial atomic bomb, which, by its very nature will destroy us and you too. MR. and MRS. JEAN JAQUES

**Emanuel High Holiday Services****Sermon Subjects Are Announced**

Temple Emanuel will conduct two separate high holiday services for its membership. In the main synagogue Dr. Israel Goldman will conduct the service assisted by Cantor Hohenemser and the Temple Choir under the direction of Arthur Einstein. The vestry auditorium services will be conducted by Dr. Max Kadushin, assisted by Cantor Seymour Tardov, of the Millinery Center Synagogue, New York City.

The time schedule is the same for both the main synagogue and vestry services; Friday evening, September 7 at 7 o'clock; Saturday, September 8, 8:30 in the morning and 7 o'clock in the evening; Sunday morning, September 9, at 8:30 o'clock.

The sermons to be given by Dr. Goldman in the main synagogue are as follows: "The Curtain of Fear", "The Perils of Victory", and "The Dimensions of Life".

Dr. Kadushin will preach on "Is Life Worth Living?" and "When the Many Are One."

Two children's services will be

conducted. The main services will be held on the afternoon of both days of Rosh Hashanah in the main synagogue from 4:30 to 5:30 o'clock. Mr. and Mrs. Aaron Klein are in charge of the services which will be held for boys from the ages of 12 to 13, on both mornings of Rosh Hashanah in the Chapel from 11:30 to 12:30 o'clock.

**ONLY 50,000 AIDED**  
WASHINGTON — The U. S. Army disclosed that only 50,000 out of the 400,000 Jews and political foes of Nazism, who were deported from Western European countries to death camps in Germany, have been found in the American, British and French occupation zones.
