

Money Needed for Zion Crisis; GJC Requests Pledge Payment; U. S. Partition Stand Softens

WASHINGTON, D. C.—The political offensive against implementing the UN decision on Palestine is gaining momentum here. Those who have had direct contact with the White House report evidence that the President himself is retreating from his formerly strong position in favor of Hebrew Palestine. The Administration appears to be switching to the "Loy Henderson line."

State Department officials, collaborating with London propaganda agencies, are trying to create the impression that an independent Hebrew Palestine will be a Soviet beachhead in the Mediterranean. The Department of National Defense, at the same time, is selling the White House on the idea that U. S. strategic interests demand appeasement of the Arabs, who can be pacified only by liquidating the Hebrews. As an alternative to American backing of the U. N. plan for Palestine, defense officials, prompted by oil company lobbyists, propose a Jewish Vatican in Jerusalem and settlement of the DP's in British African colonies.

Further evidence of this trend was noted in the past few days by several Washington newspapermen.

Malicious Journalism

The New York Times, whose hostility to political Zionism has on more than one occasion caused it to deviate from its slogan "All The News That's Fit To Print," seems to be determined to stimulate anti-partition sentiment in the hope, apparently, of influencing our own country into abandoning its avowed Palestine policy.

This is the only interpretation that can be placed on the revival by that newspaper of the fantastic, vicious and false story about the infiltration of Jewish Communists into Palestine. On December 31 the self-styled objective New York Times featured a story about a red fifth-column aboard two Jewish refugee vessels which were headed for Palestine and which were subsequently diverted to Cyprus. The Jewish Agency, in a statement, made it abundantly clear then that the story was a falsehood and substantiated its denial with facts. At the same time the Agency then stressed that the red scare was traceable to British propaganda seeking to undermine partition.

Now, over a month later, the New York Times revives the Communist scare in a sensational

Hope to Have Parley With Congressmen

Rhode Island Zionists hope to be able to arrange a conference with the State's representatives in Congress for this Sunday to discuss the political situation in Palestine, it was revealed this week.

Invited to the meeting are Senators J. Howard McGrath and Theodore Francis Green and Representatives John E. Fogarty and Aime J. Forand.

Arab League Says It'll Fight UN Army

CAIRO—An Arab League spokesman said Arabs would fight any UN police force sent to Palestine.

"Jews supported by Americans, have started civil war in Palestine and set the Moslem world on a crusade," and Abdel Rahman Azzam Pasha, secretary general of the League. "If we are defeated, the Jews must be prepared for reprisals."

Azzam Pasha said Jews in Moslem countries will find no more peace.

Truman Appeals To 7 Arab Nations

WASHINGTON — President Truman has appealed personally to several "interested" governments to prevent the spread of violence over the Palestine issue, the White House disclosed.

The pleas were reported to have gone to leaders of the seven Arab League countries.

Charge UN Sabotage at Zionist Emergency Parley

WASHINGTON — American Zionist leaders, opening a two-day emergency conference on the Palestine situation, last week accused Britain of deliberately helping the Arab states to prepare for an armed attack on the Jews of the Holy Land.

Their demand for a lifting of the U. S. embargo on shipments of arms to Jewish forces in Palestine was seconded by Rep. John W. McCormack (D., Mass.), Democratic leader of the House, and Rep. Franklin J. Maloney (R., Pa.), who addressed the conference.

Dr. Abba Hillel Silver, chairman of the American Zionist Emergency Council which sponsored the meeting, reported on the latest Holy Land developments to more than 800 delegates from 35 states. It was his first speech since he flew home from Palestine. (Continued on page 2)

Warns of "Second Spain" If Embargo Isn't Lifted

NEW YORK — Warning that the situation in Palestine may become "as bloody and as disastrous as in Spain unless the United States lifts its embargo on shipping arms to Jews in Palestine, Dr. Abba Hillel Silver, chairman of the American section of the Jewish Agency, told a press conference here that "some members of the U. S. Government are collaborating in a conspiracy to frustrate the U. N. partition decision."

Dr. Silver, who just returned from a three-week stay in Palestine following an urgent call from Zionist leaders here, reported that "the British are trying to make it as easy as possible for the Arabs to defeat the U. N. plan by violence." At the same time, he

emphasized, life in Palestine today is far from chaotic and no business enterprise has closed down as a result of violence. Pointing out that either a well-equipped Jewish militia or an international force is needed to maintain law and order in Palestine, in view of the "neutral" position of the British there, Dr. Silver said that it is common knowledge that a large concentration of Arab forces in Nablus is awaiting the signal to begin operations against the Jews. "Not a single one of these non-Palestinian, well-equipped fully-armed Arabs has been arrested," he charged.

The Jews of Palestine, he said, are resolved to defend their rights to the last man.

Following an emergency meeting of the executive board of the General Jewish Committee at which the urgent request of the U. J. A. was made for at least \$700,000 from the Providence community as its share of the fifty millions needed within the next week, Alvin A. Sopkin, 1947 campaign chairman, speaking in behalf of the board, urged all contributors to pay their 1947 pledges so that our dollars will be put to work immediately to aid the fighting Jews in Palestine. "A pledge paid today may save many lives and much property damage. It must not be another case of too little, too late."

Henry Morgenthau, Jr. general chairman of the United Jewish Appeal, in a stirring appeal over a telephone hook-up from New York which was heard here at the Narragansett Hotel, pleaded with American Jewry to raise \$50,000,000 in cash in the next two weeks to avert a disaster in Palestine and to keep the program in Europe from coming to a standstill.

The program, in addition to Morgenthau, included Herbert Lehman, former governor of New York; Stanley C. Myers, president of the Council of Jewish Federations and Welfare Funds, and Mrs. Goldie Myerson, political advisor of the Jewish Agency in Palestine, now visiting in this country.

The notables made their impassioned plea for immediate help in an emergency that threatens the entire Yishuv unless the necessary funds to purchase defense equipment are forthcoming at once.

Morgenthau termed the Arab attack a direct threat to the existence of the United Nations and to world peace. "Are we going to say that we Jews failed because of the necessary dollars?" he asked. Mr. Myers said, "We are face to face with a crucial chapter in Jewish history. I have great faith that our Welfare Funds will write this chapter gloriously."

Mrs. Myerson painted a picture that left no doubt that the Jews of Palestine were engaged in a life and death struggle. "The Jews in Palestine are at war. We wanted peace but we had no choice. Our sons and daughters go out by day and night to defend our people. They are determined to fight to the end, never to give up, never to retreat. This war is an unequal war because the Arabs have the wealth and the arms of seven states behind them. We have 9,000 men mobilized for defense. We must increase that number three fold."

front-page report by its foreign correspondent Herbert L. Matthews, who himself seems so uncertain about the concoction which was brewed up in London that he repeatedly stresses that the statements in the dispatch are based on British reports and not on his own authority or of the New York Times. This is a lame explanation. If a newspaper, a responsible newspaper, cannot take responsibility for a report of such a vicious nature it has no business carrying it, let alone sensationalizing it.
Certainly the New York Times should know, as Moshe Shertok pointed out, that "to suggest that Communist agents have no other means of getting to Palestine than through all the hazards, hardships and uncertainties these ships went through is simply ludicrous."

It seems the New York Times is determined to prove the truism of the saying "Let The Lord guard me against my friends, I will take care of my enemies."

Emanu-El Bowling

By JACK PLATKIN

The old timers, the Athletics, with the help of their adopted son won four points once again, only this time went on to prove that life begins not after 40, but after 50, by banging in high three team score for the night. Three string totals were as follows: Wintman, 255; Goldberg, 363; Platkin, 322; Temkin, 331, and Kramer, 329, for a total of 1599, beating the previous mark of the Browns by 12 pins.

Sherman Price's Yankees and Leo Nussenfeld's Tigers were the only other four point winners, but those Yankees appear to have hit their better form, having won 12 straight and after resting in the cellar all season are not going to be denied or stopped in their climb up the ladder.

The boys, in general, bowled like professionals last week as many good scores were made, and the night's high goes to that admirable fellow, that able left hander, Jack Orchoff with 374, only a few points from the record high to date. Other three string scores were Al Goldberg, 363; Ross, 342; Markoff, 342; L. Chase, 341; H. Chase, 340; Press, 340; Leo Miller, 340; Brickle, 332; Greene, 335, and plenty of 320 strings.

Prediction: That before season's

end one-third of the entire roster of bowlers will be in the 100 or over average class.

P.S. The boys are only practicing at present.

BethIsrael Bowling

By SAUL HODOSH

Due to the continued absence of many members, the Beth Israel league was reorganized into 12 five-man teams. The extra members will be permitted to bowl, but will be designated as "subs" and I trust they will bear up under the demotion.

Brown continued its domination of the league by taking Connecticut 3-1, and maintained its lead of six games over Princeton.

Howie Nelson treated himself to a second string 134 and a three string total of 326, and both scores were high for the night. Barney Coken at 312 and Oscar Dressler 308, were next in line for high three. C. Miller got hot for one string and posted 119. B. Coken, A. Dressler and M. Press each had 112 for a commendable single.

SISTERHOOD TO INSTALL

A regular meeting of the Sisterhood Sons of Zion will be held this Tuesday afternoon, in the synagogue vestry. Installation of officers will be held and refreshments served.

Olympic Bowling

By HOWARD COHEN

An upset a week seems to be the motto of our league.

Irv Levine and company upset Merlyn Rodyn's gang last Thursday, taking a 3-1 win from the league leaders. Irv and "Hesh" Golden paced the team, with the captain getting a 121 single and 323 triple, while Hesh rolled 113 and 305. The three points put the Lewines in third place.

Howie Cohen's crew took four points from the slipping Joe Schwartz's to take over second place. The bowling of Julie Holland continues to set the pace for the Cohens. Julie had a nice 301 triple as leadoff man.

Hap Aven's five finally got moving and took a 3-1 win from Har-

ry Woloff's gang. Hap and Nate Gordon bowled very well in gaining their first win. Nate's 131 was high single for the night and Happy hit 115 and 319. The absence of Harry and Jack Jacobson hurt the Woloffs' chances to collect points and move up in the standings.

Reeve Karten amazed himself and the rest of the league by coming up with a 111 single and 285 triple. He had been going at a 70 average before this.

Emergency S. O. S. To Every Jewish Woman in Rhode Island

MRS. IRWIN N. SILVERMAN

A Message from the Chairman of the Annual Hadassah Donor Affair

DEAR FRIENDS:

AN EMERGENCY S. O. S. HAS BEEN RECEIVED BY HADASSAH FROM THE ENBATTLED LAND OF PALESTINE. A COMPLETE PROGRAM OF MEDICAL DEFENSE MUST BE SET UP IMMEDIATELY.

THIS MEANS NOT ONLY THE CONTINUANCE AND SUPPORT OF ALL EXISTING MEDICAL FACILITIES, BUT THE EXPANSION OF ALL SERVICES TO MEET THE GROWING NEEDS OF A WAR STRAINED COUNTRY. EMERGENCY BATTLE STATIONS MUST BE ESTABLISHED AND MAINTAINED. MEDICAL SUPPLIES MUST BE PURCHASED AND DISTRIBUTED. EVERYTHING IS NEEDED FROM PLASMA AND PENICILLIN TO MOBILE X-RAY UNITS AND ARMORED AMBULANCES.

WE OF HADASSAH ARE GOING TO ANSWER THAT S. O. S.—IN THE ONLY WAY POSSIBLE. WE ARE GOING TO SEND EVERYTHING ASKED FOR, AND MORE, I HOPE.

THE PROVIDENCE CHAPTER OF HADASSAH IS NOW PLANNING ITS ANNUAL SPRING DONOR AFFAIR, SCHEDULED TO BE HELD AT RHODES-ON-THE-PAWTUXET, SUNDAY EVENING, MAY 2, 1948, AT 6:30 P. M. THIS EVENT IS GOING TO BE NOVEL AND INTERESTING. FOR THE FIRST TIME IN OUR CHAPTER'S HISTORY, WE ARE INVITING OUR HUSBANDS TO BE OUR GUESTS. WE WISH TO SHARE WITH THEM OUR THRILL OF ACHIEVEMENT IN THE MAGNITUDE OF OUR WORK AND THE INSPIRATION OF A HADASSAH TASK WELL DONE.

ALL FUNDS RAISED AT THIS AFFAIR ARE, AS USUAL, ALLOTTED TO THE HADASSAH MEDICAL ORGANIZATION, THE OFFICIAL HEALTH ARM OF THE JEWISH AGENCY. YOUR MONEY WILL PROVIDE FIRST AID STATIONS, DRUGS FOR THE WOUNDED, DOCTORS AND NURSES FOR THE SETTLEMENTS, MORE HOSPITAL BEDS, SURGICAL SUPPLIES, AND A PERFECTED SYSTEM OF HEALTH AID AND LAND RECLAMATION FOR THE IMMIGRANTS WHO WILL SOON BEGIN TO ARRIVE BY THE BOATLOAD.

GIVE YOUR ANSWER IN THE ONLY WAY IT COUNTS—BY YOUR SUPPORT, YOUR LIBERAL SUPPORT OF THIS AFFAIR.

SINCERELY YOURS,

Madeline B. Silverman

(MRS. IRWIN N.) CHAIRMAN, H. M. O.

Rhode Island delegates at the emergency conference sponsored by the Zionists in Washington last week were Aaron Klein and Mrs. Isaac Gerber.

Our Jews Need Aid

All reports emphasize the urgent need of sending many millions of dollars to our Jewish brethren in Palestine without delay. It is no longer a matter of convenience but rather of absolute necessity—a battle for survival. The GJC is working hard to persuade donors of the 1946 and 1947 campaigns to pay their pledges at once. The pledges must be paid eventually and there is a desperate need for the money now—an actual life-saving need.

Women's Mizrahi Plans Annual Bridge

A board meeting of the Providence Chapter of Women's Mizrahi was held last week at the home of Mrs. H. B. Stone, 100 Eaton street, with Mrs. Morris Lecht, president, presiding.

It was announced that the third annual bridge will be held the last week of March. Proceeds from this public evening affair will be used to aid refugee children. Steam Best to Clean Roofs

No one needs to be told that this has been a severe winter. Many persons have suffered serious inconveniences and even damage, whether to person or property or by loss of time because of the elements.

Many property owners have not as yet awakened to the fact that they are in imminent danger of losing the very roofs over their heads at any moment. Newspapers carry almost daily accounts and pictures of roofs weakening and collapsing under the strain of the tons of water, snow and ice with which they have been burdened for several weeks.

One more storm or a few more may be all that is needed to bring your ceiling tumbling down with a serious menace to life, health and property. It is in the best interests of the property owner to protect himself by making sure that his buildings are safe.

The Boston Window and Building Cleaning Company has perfected a method of cleaning roofs by means of steam cleaning. Steam cleaning works on buildings as efficiently as on clothes. It does the job quickly and completely. In the hands of the Boston Window and Building Cleaning Company's experts, your roof is made safe in short order, at the least expense, by the finest method known—steam cleaning.

A JEWISH YANKEE: Baseball fans who attend any of the New York Yankees' games this year will see a fellow named Emil Moscovitz in the uniform of the world champs—if they get to the park early enough. Moscovitz, a lad of 37, is coming up for a sure-fire trial. He cannot miss and he will not be sent back for more seasoning. Not Moscovitz. He is the Yanks' new batting practice pitcher.

There is quite a tale connected with Emil, late of the famed Brooklyn Bushwicks. In 1929 Moscovitz was signed to a Yankee contract and started to work his way up through the farm chain that was then just being organized. Persistent arm trouble ruined his chances, however, and Emil finally yielded to the fates and went into semi-pro ball.

Possessing excellent control, he is known as a spot pitcher and general manager George Weiss signed him on the premise that he will make an ideal batting practice hurler for the team.

A PROMISE KEPT: When the Jewish Community Center lost the use of its gymnasium late last month officials there promised that repairs would be rushed and the building opened within a few weeks. The promise was well kept. As this was written plans called for the re-opening on February 18. Regardless of what occurs this week, the gym definitely will be in full time operation again from this Sunday on.

The original program, which had been supplemented considerably just before the fire, will be in effect.

ON CALLING FOULS: Ben Chapman, manager of the Phillies, has been refereeing college games down below the Mason-Dixon line. And Ben has come up with his own system for speeding up the game. In these days of constant bickering over the rules his method is worth a look, even if you disagree with him.

Chapman called only six fouls in the first half of the Alabama-LSU game and the whistle was blown only 20 times in the entire contest. "I don't blow the whistle for anything that happens in the back court unless the man is knocked out," says Ben. He seems to get away with it pretty well. His games are orderly, fast and reportedly clean.

PITCHING TIPS: Local pitching hopefuls should be interested in the comments made this week by Warren (Buddy) Rosar, catcher of the Athletics. Buddy says his experience has taught him that the most effective pitchers he has caught in the majors have been those who wore flapping sleeves on their pitching arms. He claims it confuses the batters by distracting their attention from the ball and points to men like Hubbell, who wore long flap-

ping trousers for that reason, Ruffing and Newsom as examples of "flappers" of the mound.

You softball pitchers who may be tossing them up in that proposed Jewish league this year might take notice.

HOCKEY NOTE: The league-leading R. I. Reds, may hit the 300 mark in goals scored this season. After Sunday's 8-4 win they had 251 tallies and needed an average of less than four goals per game to make it.

To Dedicate Flags At Emanuel Services

Flags donated by the Fineman and Trinkle families will be presented to the Fineman-Trinkle Post 439 of the Jewish War Veterans tonight at 8 o'clock at the regular Friday night services at Temple Emanuel. Dr. Harry Goldberg, Arthur Rosen and Mrs. Phyllis Datz will accept the flags in behalf of the post and the auxiliary, and Rabbi Israel Goldman will bless the flags which will be carried in by James Rakuson and Ernest Newman. Members of both the Post and the Auxiliary will participate in the service. The main speaker for the evening will be Dr. Albert C. Thomas, Minister of the First Baptist Church.

RADIO BROADCAST

Rabbi Abraham Chill will give the fourth of a series of five radio addresses over WRIB this Sunday at 3:45 o'clock on the subject of "Brotherhood Week—Fact or Fancy." The address will be in honor of Brotherhood Week which begins February 22.
